## Madison Employs Industry Experts

City Proposes To Build  
Plant For Long-Term  
Lease To Suitable Firm

The Madison city council Tuesday night authorized a contract with H. W. Protzel Government Consultants Inc., St. Louis, to serve as the city agent in attracting a major industry to the Madison area.

The city is proposing to construct a new plant and lease it to an industry. It would be built under specifications of the industry itself and would be available under long-term lease of at least 15 years, with an option to buy.

After the meeting, Mayor Stephen Macraes said that the city has some surplus funds invested at 3 1/2% in the neighborhood of \$2 million—and if more is needed, a revenue bond issue could be floated.

He anticipated annual rental of \$200,000, depending upon the size and facilities of the industrial plant, and remarked on the value for area residents through additional jobs. The plant need not be within the city limits, he added, but could be located within a five-mile radius.

**Consider Annexation**

The city does not have numerous industrial sites within the city limits, but Mayor Macraes commented that state annexation laws have been streamlined and the city may now be able to annex East Madison. "This may be the time to do it," the mayor added, and said the city attorney is studying the proposal.

According to the contract, the Protzel firm is to be paid \$100 a month plus expenses and the city, offered 5% of the annual rental as an incentive.

The consultants would prepare brochures, make contacts and conduct related functions.

Harvey W. Protzel, company president, previously offered to do the work for \$1500 a month. But Macraes and the aldermen felt that figure was too high. The contract was made on a month-to-month basis and was terminated by either party with 30 days' notice. It took effect immediately.

The mayor added that "if we build a plant, we must be sure that revenue will be there and that the plant will be paid for."

**Transportation Firm**

The mayor also announced that the Parks Transportation Co. is moving into Madison from St. Louis, where it has been located for about 20 years.

Parlo Transportation is building garages and offices on a tract acquired from the former Illinois Co., the former American car shop plant. Parks serves some local industry.

Financing was arranged through local banks after meetings with groups interested in attracting new business here.

Mayor Macraes said it will employ about 35 persons. The Parks firm is operated by Robert Miller Jr. and Sr.

**U.S. POST OFFICE—NO MORE.** Postmaster W. T. Overbeck took time yesterday to scrape the decal off the doors of Granite City's 52-year-old downtown building before leaving for the brand new structure at 24th street and Madison avenue. Business at the downtown building ended at 5 p.m. yesterday.

**Move Is Complete**

The new building, which provides a large off-street parking lot for patrons and employees, will be open the same hours—8:30 a.m. to 5 p.m. on weekdays and 8:30 a.m. to noon on Saturdays.

Overbeck said the move was carried out "without a hitch. We still are trying to straighten things out, but we're open for business in our new building—and it's wonderful."

Overbeck said the move was carried out "without a hitch. We still are trying to straighten things out, but we're open for business in our new building—and it's wonderful."

**School District**

Granite City schools are getting ready to occupy six new classrooms at Mitchell grade school, but have nothing to report on their efforts to acquire the downtown post office building vacated yesterday.

Supt. Harold M. Kaiser said today the Mitchell addition will be inspected tomorrow and possibly placed in use next Monday.

It is not quite ready, the occupancy will be delayed.

School Board President Ralph Fricke said after Tuesday night's board meeting that the state and federal governments have not advised the district recently on the status of its proposal to use the post office for classrooms and storage.

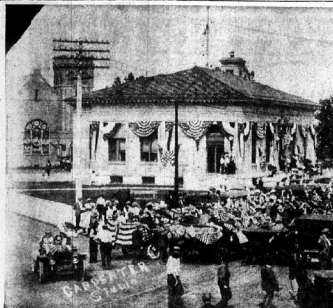

Laws on disposal of such buildings favor school districts. There would be no purchase fee, but the board has budgeted funds for remodeling the building.

**Undergo Surgery At St. Elizabeth Hospital**

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week:

Juanita Hillman, 2324 O'Hare avenue, Bessie Watkins, 411 West Second street, Madison; Marjorie Troyer, 3212 Franklin avenue; Homer Jones, 2510 West 24th street; Ada Greathouse, 2327 Benton street; Ricky Hall, 1207 Rhodes street; Salvatore Lupo, 1352 State street; Margaret McBrien, 1629 Second street, Madison; Estelle Marcus, 2417 Adams street; Bessie Eggmeyer, 2320 Center street; Elizabeth Caschetta, 2223 Edwards street; Pete Liesmann, 2321 Grand avenue.

**Improper Release Of Prisoners Is Claimed By Judge**

Police Magistrate Gasparovic has complained to the state's attorney's office that a number of prisoners charged with felonies in Granite City are being released on bond in Edwardsville without proper authority and without the knowledge of local police.

He referred specifically to two recent cases, including one this week when Charles Ray, 18, of 2344 Denver street, and David Keel, 20, of 1619 Delmar avenue, were released on bonds approved by Edwardsville Justice of the Peace Earl Viugnians.

Magistrate Gasparovic had set bonds at \$2500 each after the two, along with Jack Brooks, 20, of 2313 East 23rd street, were charged with burglary and larceny at the Veterans of Foreign Wars club on Nov. 8. The three were caught in the harbor by police about 2:30 a.m.

Signing property bonds were Fred and Christine Ray for young Ray and Charles Keel and Alfred Stamps for the younger Keel. Magistrate Gasparovic said he previously refused to accept a deed from Stamps as surety on Keel's bond, stating it was insufficient and not in proper order.

After the two were released Monday, police were called that night to the Granite City pool parlor, 1911 State street, where a fight was in progress. The fighters were gone when police arrived, but it was learned that Ray and Keel were involved, and that Ray had broken a cue stick and started to chase Keel with it, the proprietor told police. Police did not know the two were at liberty.

**Orders Picked Up**

Magistrate Gasparovic today ordered police to pick up Ray for non-payment of about \$50 in previous fines. Arrangements had been made for Ray to work out the fines on Saturdays, but this was not carried out. The city hall is closed on Saturdays.

Gasparovic today quoted Joseph Bartylak, assistant state's attorney, as stating that he would request the Edwardsville JP and magistrate to refuse to accept bond without authority from the judge who set the bond. He said he was available and ready to go to court Monday, even though it was a legal holiday.

He said the legal procedure in such cases is for the sheriff's office to return the cases to the originating court. The sheriff's office in Edwardsville in some cases uses the nearest court. The previous case involved (Continued on Page 3, Col. 3.)

**Appraisals Begin Along Cedar St. For Route 151**

A property appraiser for the state highway department has started work along Cedar street to prepare for the new Riverfront roadway (Federal Aid Route 151). It was learned this week from the state's French Village office.

However, only 10 property owners are to be interviewed immediately, as the state has yet to prepare plans for appraisals to the north through West Gate and west of the A. O. Smith Corp. plant.

The new dual highway also is to take a portion of city-owned property where a postwar quarter-century project for veterans was located. A portion of the police department's pistol range building will have to be removed. It was learned.

**10 Tracts Being Valued**

The appraisals for the 10 tracts along Cedar street are to be completed in 45 days and then will be reviewed by the state before any work is to be done toward acquisition.

Plans are being prepared to begin the appraisals in West Granite area north of Lincoln Place and the farmland areas west of the present Route 3 (formerly U.S. 67A).

The French Village office is continuing its review of appraisals for Nameoki road between St. Clair avenue and a point north of Ponton road. About 47 parcels are to be acquired for the long-proposed Nameoki road widening, and the state says it has received about 40% for review.

No completion date on the appraisals has been set.

**New Talks Open In Dow Strike This Morning**

Negotiators for Dow Metal Products Co. and United Steelworkers Local 4804 were meeting today in St. Louis for the first time. The meeting was held to settle the two-month, 14-day-old strike.

The session was called by the Federal Mediation and Conciliation Service. It was the first breakthrough in the strike since the union turned down a new contract on Oct. 23.

Meanwhile Gerhard Ansel, plant manager, announced that more than 85% of the striking employees have qualified for continuing coverage under a company-sponsored insurance program by paying individual premium shares.

He said 681 employees made personal payments at the plant during the designated periods during Thursday and Friday. Coverage was terminated Sunday for those who failed to make payments.

Ansel estimated the company would have to pay out about \$100,000 a month to continue the insurance for the striking workers. The premium share for individual family coverage averages \$469 a month for life and includes sickness and accident benefits, including dental and maternity benefits, Ansel said.

Previously employee shares were collected through payroll deduction. Since the strike began Aug. 31, employee premiums had been advanced by the company against future payroll deductions. Ansel noted the company was forced to collect premiums on a current basis because "it is impossible to predict the duration of the strike."

## Four New GC Schools Studied By Board

Additions At 6 Present  
Schools Considered;  
Plans Not Yet Final

Enrollment studies discussed by the Granite City school board Tuesday night pointed toward the construction of four new school buildings and the addition of 38 classrooms at six existing schools.

Although no final decisions were reached, part of the board indicated it was ready to approve some expansion steps immediately. The majority view that expansion of the school system was to be given time for study, and the topic is to be reopened when cost estimates are submitted to Supt. Harold M. Kaiser on the Dec. 10 meeting.

Site purchases—included in the 1963-64 budget—and additions carried out by board action. Construction of new buildings would require the approval of voters, who also would be asked to authorize higher tax rates to operate the additional facilities.

No timetable was set, but several board members expressed hope that expansion of the schools cannot be deferred for long. Tuesday's discussion was described as an initial step toward making the public aware that population gains are requiring the formation of definite construction plans.

**New Locations**

General areas cited by the administrative staff as needing new schools were:

1. The eastern part of the present Fulton grade school zone.

2. A second Mitchell grade school.

3. Another grade school to serve the outlying Nameoki and Mitchell areas, located somewhere west of Mitchell and north of Granite City.

4. The utilization of the site owned by the school district on Ponton road near Ponton Beach for a junior high school or a combined elementary-junior high building.

**Cafeteria Needed**

Construction of a new high school cafeteria topped by six classrooms, freeing present cafeteria space for use as four classrooms, was proposed as an answer to increased high school crowding.

Other possible classroom additions include rooms at Prather junior high school, four each at Wilson grade school and Niedecker grade school, two at Maryville elementary school and eight at the Lake grade school.

In addition to the tentative planning for new buildings, the board also discussed the economy of adding classrooms to schools with basic facilities specifically designed to accommodate them.

Alternate ways of serving more students with existing space, including the use of instructors and team teaching—also are being given consideration.

A special meeting on the expansion topic was discussed, but it was noted that a four-week wait would permit time for preparation of detailed financial projections and also for extensive thought by administrators and board members on the wisest course to follow. There will be no meeting Nov. 26 due to the state school board convention.

No action was taken Tuesday on whether to seek further reduction of average class size during the current school year. Overcrowding in some classes was discussed by the board last month.

Yule Recordings Again**

Plans to sponsor its Christmas "talking letter" program again this year were made by the Red Cross chapter board during its November meeting Tuesday afternoon. Quind-Cityans with relatives in the armed forces overseas may make free recordings for them Nov. 29 and 30 at the Red Cross office.

Chairman John Sedlack presided and Mrs. Elvira Thurber gave highlights of Red Cross publications. It was announced that the government has issued Red Cross 100th anniversary commemorative stamps.

College graduates interested in Red Cross positions many of them overseas, may contact her: Mrs. Ruby Overbeck, executive secretary said. She listed 114 service contracts and loans totaling \$317 in September, with 113 and \$640 in October.

**Delinquent Tax Lists  
Being Published**

The delinquent tax list for Nameoki and Venice townships appears elsewhere in today's issue. County Treasurer George Musso, who is ex-officio county tax collector, also this week announced that Dec. 16 is the date for the sale of property on which taxes are due.

The listing includes the names of owners and the amounts of unpaid taxes due for 1962 and back taxes due for 1961 and more than eight prior years.

Penalties are added for publication as well as interest at the rate of one per cent per month until the amount is paid or the property is sold.

The tax sale will be conducted in Edwardsville. Granite City township's delinquent tax list is scheduled to be published next week.

### Four Men Nabbed At Station; One Gets Prison Term

Four men, including one who was sentenced to three months on the state prison farm at Vandalia Tuesday afternoon, were arrested by Granite City police about 2 a.m. Tuesday at Carl & Gene's service station, East 23rd street and Namecki road. A rear window at the station had been broken.

They are Robert Baker, 2717 Lincoln avenue, charged with being drunk; Erno Gregson, 20, of 2036 Madison avenue, charged with disorderly conduct and criminal damage to property; George Stubbfield, 27, of 1624 Delmar avenue, charged with being drunk; and Laurence William Frazier, 20, of 2035 Sixth street East, Madison, charged with being drunk.

Baker was sentenced to the prison farm after pleading guilty in county court at Edwardsville to a reduced charge of criminal damage to property in connection with attempted theft at the Half Hour Laundry, 2101 Washington avenue, last Jan. 10. He was taken to Edwardsville and then was returned to the Granite City jail.

Gregson pleaded guilty before Police Magistrate Gasparovic and was fined \$25 and costs each on the disorderly conduct and property damage charges. He also received a 30-day suspended county jail sentence and was placed on probation for one year.

Baker, Stubbfield and Frazier pleaded not guilty to their charges and hearings were set for next Thursday. Their bonds were set at \$100 property or \$50 cash.

Police were notified the men were at the station by an alert resident of the neighborhood. After returning to the police station, one of the men told officers that an emergency stop was made at the station and he broke the window in a fit of anger. Glass fragments were cleared away from the window frame, police said. They denied an attempted burglary.

### Window Breaking Boy Goes To IVC Receiving Center

A court order placing him in the custody of the Illinois Youth Commission was served this morning on the 12-year-old boy who caused an estimated \$8000 to \$9000 window damage in the East-Cities in recent months.

The youth is being taken to the IVC juvenile division at Joliet, where he will be at a receiving center for four to six weeks undergoing tests.

Upon completion of the tests, he will be assigned to a state juvenile detention home. The duration of his stay there depends upon his rehabilitation.

The youth, who also committed a series of sneak-thief house burglaries in Madison as well as purse looting thefts at St. Elizabeth Hospital, smashed hundreds of windows using rocks as ammunition for a slingshot. He also used pellets to knock small holes in expensive plate glass windows in stores and offices, including the Press-Record.

His latest escapades, before his capture two weeks ago, included extensive damage to heavy motorized equipment of the Wilbur Wagner Equipment Rental & Excavating Co. at Market street and Washington avenue in Madison.

The latest court on window breakage locations was 51, including scattered places in Madison, the downtown Granite City area and vicinity and Bellemore Village shopping center.

The boy, who comes from a broken home, made one request when he was turned loose by police before being taken in custody by the IVC. "Can I have my slingshot back?"

He didn't get it.

## 5 Persons Hurt In 3 Accidents

Injuries were suffered by five persons in three of six traffic accidents reported to authorities this week.

The crash during the night front and hood of the Reynolds car and the left front and left rear tire of the auto of Louis C. Powers, 1037 Douglas street, Venice, who had stopped and was driving west onto State from Third.

A one teenager was arrested and another was injured when an auto driven by Leroy Widoff, 16 of 1932 Spruce street, struck a car owned by Robert Lee Cook, 2206 Bryan avenue, as it was parked at 2808 West 22nd street at 9:35 p.m. Tuesday.

June Castle, 17, of 2033 Missouri avenue, a passenger in the moving auto, complained of pains, according to the police report.

Tidwell, who told police he lost control of the car, was charged with careless driving. The fronts of each of the cars were damaged.

Eugene A. Monahan, 36, of 2432 Benton street, was admitted to St. Elizabeth Hospital with back injuries after his auto and another driven by William L. Donald, 18, of 2309 Terminal avenue, were in an accident at 9:15 p.m. Monday at 1910 State street.

The accident report said Monahan was pulling away from the curb when Donald was passing a double-parked car when the collision occurred.

**Annoyed By Millipedes? This Might Be Answer**

William Jenkins, assistant city inspector, and Grover Norwood, Granite City high school science teacher, today announced a method for eradication of millipedes, the brown, worm-like arthropods that have been invading many homes in the Quad-City area.

Both men had received inquiries about what can be done to eliminate the millipedes which cause a nuisance but are harmless to persons and property.

Norwood asked entomologists at the Illinois Natural History Survey in Urbana for their opinion. The entomologists recommended using an insecticide called "sevin" which is to be sprayed on lawns and shrubs next to the foundation in a band three to 10 feet wide. The foundation is to be sprayed outside from wall to wall.

Inside, a vacuum clean-up is recommended and if the millipedes persist after two or three days, the neighborhood area, or floor-wall angle in the basement should be sprayed with 1-2 percent in oil.

**Leo J. Wingeter Dies, Retired Rail Foreman**

Leo J. Wingeter, 81, of Granite City, retired foreman for the Washburn Railroad, died at 5 a.m. today in St. Mary's Hospital, East St. Louis, where he was a patient for four days. He was ill eight months with various ailments and had resided at the Doctor's Convalescent Home, East St. Louis.

He was born in Perryville, Mo., and lived in Granite City five years. He was employed by the Washburn for 40 years and was a member of the Nameketh Methodist Church.

He is survived by his wife, Mrs. Nora Wingeter; a son, Joseph Wingeter, St. Louis; six daughters, Mrs. Owen, Edna, Friend, Granite City; Mrs. Clarence (Margaret) Beasley, Collierville, Mo.; Mrs. Arthur (Frieda) Garbin, Edwardsville; Mrs. Charles Ann Kunick, Granite City; and Mrs. Arnold (Ida) Mason, Granite City; a brother, Edward, Wingeter, Granite City; a sister, Mrs. Anna McIntire, St. Louis; 17 grandchildren and 29 great-grandchildren.

An obituary notice appears elsewhere in this issue.

**GC Student Artwork To Go To California**

Art work by Granite City Junior and senior high school students will go on display in the Arrowview school system at San Bernardino, Calif. A request for 25-piece exhibit was received yesterday by Eugene Alassi, art supervisor for Granite City schools.

Alassi plans to set flatwork for the exhibit, consisting of oils, watercolor, and prints. In the request, it was stated that representatives of the Arrowview schools became aware of Granite City students' art talent through displays at Illinois Art Education Association conferences in recent years.

"Through the exhibit," it was stated, "the Arrowview school system hopes to stimulate greater interest in art."

and a white tie shirt. Nothing was listed as missing. Mel & Edith's tavern, 1600 Cleveland blvd., last week, it was reported to Granite City police at 2:20 p.m. Monday.

A ray telephone was stolen from the Pontoon Baptist Church, 4008 Pontoon road, in the rear of the church's warehouse at 16th and State streets, it was reported to Granite City police at 9 a.m. Tuesday.

The commodities included soups, nut topping and jellies. The amount taken was not immediately determined but was believed to be small. Donald Johnson, driver who noticed the theft, said a padlock was still in a locked position and it was presumed the lock was opened with a key and then relocked.

A 280-horsepower V-8 auto, motor owned by Bill Weckman, 2217 Washington avenue, was stolen from the back yard of the home, Venice and Granite City police were advised at 11:30 p.m. Monday.

**Guitar Taken From Tavern**

A guitar valued at about \$60 was stolen from a side room of Mel & Edith's tavern, 1600 Cleveland blvd., last week, it was reported to Granite City police at 2:20 p.m. Monday.

A ray telephone was stolen from the Pontoon Baptist Church, 4008 Pontoon road, in the rear of the church's warehouse at 16th and State streets, it was reported to Granite City police at 9 a.m. Tuesday.

The commodities included soups, nut topping and jellies. The amount taken was not immediately determined but was believed to be small. Donald Johnson, driver who noticed the theft, said a padlock was still in a locked position and it was presumed the lock was opened with a key and then relocked.

A 280-horsepower V-8 auto, motor owned by Bill Weckman, 2217 Washington avenue, was stolen from the back yard of the home, Venice and Granite City police were advised at 11:30 p.m. Monday.

**Bowling Equipment Taken**

Nick Lombardi, 1610 Lindell blvd., reported to the Madison county sheriff's office at 9:30 a.m. today that while he was speaking to an unknown person, Bowland alleges that about mid-

night, his bowling ball, bag and shoes were stolen.

A woman's black bowling ball and case were taken from the front porch of Roberta Mateyka, 2540 Lincoln avenue, it was reported to Granite City police at 1:35 p.m. Monday.

The theft of one car and an attempt to steal another from the Granite City Steel Co. parking lot at East 21st and Monroe streets were reported to Granite City police at 11:55 p.m. Tuesday.

A battery was stolen from a 1935 automobile owned by Garland Horn, 1740 Spring avenue, while it was parked on the A & E parking lot during the night. It was reported to Granite City police at 9:35 a.m. Wednesday.

A thief tried to steal the battery from the auto of Mike Novack, 2235 East 24th street, Wednesday night while it was parked in his garage, he reported to police today. He said he could not start the car at 10:45 p.m. and took a taxi to work, and when he returned this morning, he found that the battery cables had been taken off.

John Farrance, 1821 Spring avenue, reported to Granite City police at 8 a.m. Wednesday that four hubcaps were stolen from his 1963 auto while it was parked in front of the house during the night.

Thieves of five bicycles were reported stolen to Granite City police Monday and Tuesday. They were:

William Dallas, 1810 Omaha avenue, a boy's red 26-inch bike at 5 p.m. Tuesday from St. Joseph's school; Paul Caban, 1409 Rhodes street, a boy's black racer at 1:05 p.m. Tuesday at the Alton area industry; manufactures products for defense purposes.

The new restrictions, which do not apply to tourists, was made on the demand of the Defense Department. The restrictions also apply to citizens of Soviet satellite nations.

**Madison County Tagged Off Limits To Soviets**

Madison county is among 31 Illinois counties placed "off limits" to Russian travelers by the U. S. State Department.

The State Department announced that 26% of the country is being placed off limits to Russians in a move to prevent spying. Madison county apparently was included because local a defense industry manufactures products for defense purposes.

The new restrictions, which do not apply to tourists, was made on the demand of the Defense Department. The restrictions also apply to citizens of Soviet satellite nations.

**Bi-State Harbor Expansion Complete**

The \$330,000 expansion of the Bi-State Development Agency harbor on the Chain of Rocks canal is being completed this week with the acceptance of the 300-foot rail trestle, it was announced by Col. R. E. Snyder, executive director.

A 100-ton-an-hour conveyor, located at the south end of the Bi-State harbor, already is in operation. "But we have a few bugs to iron out in its operation," the colonel said.

With the addition of the 300-foot trestle to the north, Bi-State now has a 900 foot dock with 700 feet for mooring barges.

The trestle curves toward the levee to provide a dual connection to the rail spur which goes to the canal harbor from the Illinois Terminal Railroad spur south of the A. O. Smith Corp. auto frame plant.

Both the new conveyor and the trestle are for the public operation of the Bi-State Harbor. The agency also leases 500 feet to Granite City Steel Co.

Along with the conveyor, the Bi-State Agency erected a speed, towering hopper to speed the unloading of barge loads for transfers to trucks or rail cars.

North of the Bi-State Harbor, the Tri-City Port Authority is developing 3000 feet for the Granite City Port. It was announced last week that an \$800,000 terminal is to be developed by the Port Authority for National Marine Service, Inc.

The firm has leased 65 acres and plans an immediate development of nine acres as a river-lake tank terminal for handling liquids.

**Mrs. Rosa Lee Buekle Dies In Tucson Hospital**

Mrs. Rosa Lee Buekle, 63, of 2030 Cleveland blvd., died Tuesday in a hospital in Tucson, Ariz., where she was a patient for four days. She had a heart ailment.

Mrs. Buekle and her husband, Fred C. Buekle, were on a vacation trip when she became ill. She is scheduled to be returned tomorrow to Granite City.

Mrs. Buekle is an employee in the accounting department of Granite City Steel Co. before retiring in August 1962. She was a member of the Granite City Steel Women's club, Granite Chapter 650, Order of Eastern Star and the Elks club. Mrs. Buekle (formerly) was with the Granite City Ice Cream Co.

Survivors include her mother, Mrs. Nellie Hill, with whom they lived. Her father, William F. Hill, who is deceased, was a veteran Granite City mail carrier.

An obituary notice appears elsewhere in this issue.

**State Control Of School Buses Under Discussion**

Illinois school bus rules involving signals, loading and vehicle color are being compiled with pending a determination of regulatory agencies' jurisdiction in regard to the Bi-State System, it was announced today.

County School Supt. Wilbur Trimpe has been in contact with state and area school officials and the transit firm, noting that the state has a role in the issue due to its transportation reimbursements to districts. A meeting for further review of the topic is planned in Springfield where no inquiries.

**Improper Release**

(Continued from Page 1.)

Billie Castle, 20, of 2118 Missouri avenue, and Brooks who were held at the county jail in lieu of \$3500 bond set by Magistrate Gasparovic on charges of burglary and larceny Oct. 17 at the Gattung-Gannier market, 2237 Illinois avenue.

Castle's bond was approved by J. P. Vugnaux and was signed by three persons, including Castle's father. But there was no surety listed on the back of the bond. Vugnaux claimed that the sheriff's office told him it was proper to do so. Gasparovic related, Vugnaux could not be reached for comment. Neither the police nor the judge were informed that Castle had been released.

The bond for Brooks was approved in the local court. He was already indicted and set for trial on Monday when he was caught in the VFW club,

## Jaycees Seek Nominations For 'Outstanding Young Man'

Nominations for the "outstanding young man of the year" in Granite City are being sought, it was announced today by Earl Dotzauer, Jaycee president.

A committee headed by Alvin Barnes III, is canvassing churches, businesses, clubs and organizations to determine which young man (21 through 35 years of age) has contributed most to the community during the past year.

The Distinguished Service Award winner from Granite City will be entered in the Illinois Jaycee contest, and state winners will be entered in national competition for selection of America's Ten Outstanding Young Men.

Five Judges Members of the Jaycee judging committee will be Dr.

## Vandals Break Windows, County Sales Tax Police Receive Calls

Vandals broke windows at a house at 2126 Benton street during the last two nights, and Granite City police were asked to check youngsters in the area reported to be trying to break windows, some with slingshots.

The Benton street house is owned by Christ Geroff, 1512 Seventh street, Madison. Several panes were broken Tuesday night and three more breakages were reported this morning.

Police were called at 4:40 p.m. yesterday to 2704 Iowa street to check on a boy shooting at windows with a slingshot, but he could not be located.

At 6 p.m. Wednesday, police went to 2124 Benton street on a report that youngsters were breaking windows, but they also had disappeared. A third report at 7:20 p.m. took police to 707 Kirkpatrick homes "to check on suspicious boys," but again the area was clear.

## Judy Loftus To Attend Recreation Convention

A senior at Granite City high school, Miss Judy Loftus, daughter of Mr. and Mrs. Joseph E. Loftus of 3101 Ash street, will take part in a program tomorrow and Saturday at the Illinois Association for Health, Physical Education and Recreation convention in Springfield.

With students from five other high schools in the state, she will present a panel entitled, "Student Reactions to Today's Physical Education."

Other local program participants will be Miss Anna Marie Harn, Coolidge junior high school; Mrs. Mary Lou McCarty, Frasier junior high school; and Miss Barbara Kerch, supervisor of physical education for Granite City schools.

Miss Leigh Heller, teacher at Frohardt school, is current secretary of the association. Miss Kerch is a past-president.

Miss Kerch has also been named for the second consecutive year as chairman of the Scholarship Program Committee of the American Association for Health, Physical Education and Recreation.

The committee is responsible for making annual scholarship grants of \$2000 each to four, five or six students in the United States. Miss Kerch and Dr. Ray O. Duncan, formerly of Granite City and now dean of physical education and athletics at the University of West Virginia, were instrumental in starting the scholarship program about five years ago.

The committee's annual meeting will be held in May at Washington, D. C.

## \$101,906 Low Bid For SWIU Lake Level Control

An apparent low bid of \$101,906 was received Tuesday for lake level control for Southwestern Illinois University's Quad-City-Edwardsville campus.

The proposal was submitted by the H. A. Grabbe Construction Co., Goffrey. John Randall, SWIU associate architect, said the bid will be analyzed before being submitted to the university board of trustees for approval.

**PUBLIC INFORMATION PAMPHLETS** on eight low subjects placed yesterday in the lobby of St. Elizabeth Hospital by Atty. William Brandt (right) of the Tri-City Bar Association who explains them to Bernard Pinney, hospital personnel director. The pamphlets are to be made available at local banks and savings and loan offices.

## Bar Group Distributing Eight Pamphlets On Law

Free distribution of public information pamphlets on eight subjects of the law was started yesterday in the Quad-Cities by the Tri-City Bar Association. It was announced by Leo Konzen, president.

The distribution is being made in cooperation with the Madison County Bar Association and the Alton-Wood River Bar Association and is county-wide.

## Elks Lodge District Meeting Set Here

A district meeting of the Elks Lodge will be held here Saturday and Sunday with a dance to be featured Saturday night and a business meeting on Sunday.

Paul Edmond is chairman of the planning committee.

To go up in the world a man has to get down to serious business.

## 14 Students At Frohardt School Learning Russian

Fourteen sixth grade students at Frohardt school are learning Russian during American Education Week this week.

They are members of an experimental class conducted by Mrs. Vladimir Fryntzko, regular first grade teacher at the school, all of whom devote 25 minutes of their lunch period to the effort on Mondays, Wednesdays and Fridays.

The experiment started a month ago, and Mrs. Fryntzko reports that her special students are enthusiastic and are advancing rapidly. She expects success. "They already have a vocabulary of about 50 words," she said, "and they know the alphabet."

The boys and girls also are able to recite to each other, as demonstrated when a reporter attended a session yesterday. They are aiming at conversational abilities rather than the intricacies of Russian grammar.

## Students Volunteer

The students were selected from volunteers among all of the sixth grade classes, and parental permission was received. So far only one student has dropped out.

Mrs. Fryntzko receives no additional pay for her work and provides her own materials, including records. No texts are used. She hopes that the school district later will provide materials for an expanded program in all of the elementary schools.

The teacher learned the Russian language herself as a child at home, being of Russian derivation. She also received private instructions at a Russian church school. She holds a master's degree in education, and currently is attending classes to brush up on her Russian grammar.

## Foreign Cultures

Mrs. Fryntzko, who lives at 2604 Idaho avenue, has been in the Granite City school system for 11 years and previously taught in St. Louis elementary schools.

She always has shown an interest in teaching her first graders something of cultures of different foreign lands, especially in the Christmas season when carols are sung in different languages and fairy tales from foreign nations are told.

# Venice Opens Season At Waterloo

RED DEVIL EMBLEM peers over the shoulders of Venice high school basketball players who open their season tomorrow night at Waterloo against St. Peter & Paul. They are, from left, front row: Ken McMullen, John Robertson, Coach Bill Ohlendorf, Paul St. John and Bill Getty; back row: Mike Edwards, Richard Essington, Jerry Bartlett, Terry Cooper and Howard Black.

Boys and arrows were invented about 25,000 B.C.

## Open Basketball At Coolidge Only

Open basketball will be held only at Coolidge Junior high school during the winter. Harold Brown, superintendent of parks and recreation, said today.

The open play will be from 1 to 4 p.m. on Saturdays starting Nov. 30 at Coolidge. This is the

second year for the program which is operated with the cooperation of the Granite City school board.

There is no age limit for the open play, but players must change from street shoes to rubber-soled basketball shoes at the gymnasium. There will be no open play during the school Christmas vacation.

Lack Height

Ohlendorf, in his third season at Venice, again does not have the much-needed "big boy" on the roster.

"I never have had," he said, "St. John and the two forwards are the only squad members that reach 6-1 or over."

The Red Devils open the home season a week from tomorrow night against Alton's Western Military Academy. The first M-C-M Conference contest is Dec. 3 at Aviston.

Last season, the Red Devils also opened against St. Peter & Paul and lost, 62-58. The Waterloo school started play last Friday with an 82-35 victory over Augusta, Mo.

## Success To Depend On Young Players, Says Devils' Coach

Venice's Red Devils will get the jump on the three other local high school teams when they open the 1963-64 basketball season tomorrow night.

Coach Bill Ohlendorf's club plays St. Peter & Paul in Waterloo, with the varsity contest following a 6:45 jayvee tilt.

Other local cage openers will pit Granite City at Cahokia on Nov. 28, Madison at Sparta on Nov. 30 and Venice Lincoln at East St. Louis on Dec. 3.

Ohlendorf said his Petering lineup will include center Paul St. John (6-3) and forwards Ken McMullen (6-1) and John Robertson (6-2), all seniors.

The two guards will be picked from Howard Black, 5-11 sophomore, Mike Edwards, 5-10 senior, and Richard Essington, 5-9 freshman.

"Our success will depend on how our younger players come through," Ohlendorf said.

Leading Rebounder

Sitton last year led the team in rebounds with an average of 7.1 per game, but the Red Devils will be missing Jerry Cies, a guard who paced the team in scoring with a 15.4 average.

Cies hit in double figures in 18 of the 24 regular season games and averaged 18.8 points a game in Madison - Clinton - Macoupin Conference play.

McMullen and Sitton, the only two returning regulars on last season's 10-14 squad, averaged 9.4 and 7.3 points.

Lack Height

Ohlendorf, in his third season at Venice, again does not have the much-needed "big boy" on the roster.

"I never have had," he said, "St. John and the two forwards are the only squad members that reach 6-1 or over."

The Red Devils open the home season a week from tomorrow night against Alton's Western Military Academy. The first M-C-M Conference contest is Dec. 3 at Aviston.

Last season, the Red Devils also opened against St. Peter & Paul and lost, 62-58. The Waterloo school started play last Friday with an 82-35 victory over Augusta, Mo.

The Indians met the winner of the Belleville Central Nashville game at 8:15 p.m. tomorrow. Other winners Tuesday night were Centennial over Waterloo Public and Marissa over Freeburg.

## Don Faurot Will Speak At Banquet

Don Faurot, athletic director at the University of Missouri, will be the main speaker at the annual fall athletic awards banquet at 6:15 p.m. Tuesday, Nov. 19, in the Granite City high school cafeteria.

A living legend in the history of football at Mizzou, Faurot has been actively identified with the school for about half his 61 years.

Faurot has been MU athletic director since 1946. After 19 years at head football coach, he retired in 1946 with a record of 101 wins, 79 losses and nine ties.

Before coming to MU, he directed Kirkville (Mo.) State Teachers College to a 63-13 record in nine seasons.

Faurot introduced the sport of sliding-T to Mizzou in 1941 and his brainchild quickly caught on. For his contribution to the game, he was named Football's Hall of Fame in 1961.

As a collegian at the University of Missouri, he competed in football, basketball and baseball and was graduated in 1925 with a degree in agriculture.

Principal Lawrence McCauley said City Treasurer Ernest "Pete" Rich, former Granite City football star and an organizer of the annual affair, will be master-of-ceremonies.

Wirt Downing, East St. Louis senior high school principal, will introduce Faurot. Father David Munn, assistant pastor at St. Joseph's Church, will give the invocation and benediction.

Jim Morrison, football coach, and Dick Harmon, cross-country coach, will announce the 1962 letter-winners and special award winners.

The letters will be awarded Tuesday night at a school assembly earlier Tuesday.

## Lincoln Preparing For 1st Game, Four Top Players Back On Squad

Aiming toward a winning season, Coach Stan Lynch of Venice's Lincoln high school currently is working his squad into "go" condition for the 1963-64 basketball season.

The Rams open Dec. 3 against the Lincoln high school in East St. Louis.

"I think we'll be much better this season," Lynch said. "Practice has been hard and well."

His optimism is bolstered by the return of four top players from last year's squad, which finished with seven wins and 16 losses.

Back are twin guards Calvin and Alvin Dixon (both 5-10) and forwards Percy Dillon (6-0) and Franklin Wooten (5-11).

Missing, however, will be two of the top scorers from last season—6-4 Billy Hatter and 6-0 Tommy Turner. Hatter is too old to compete this season and Turner has gone on to play at Rochester (Minn.) Junior College.

Height Problem

The loss of Hatter leaves a gap in the size department, but Lynch hopes Richard Jackson, a 6-2 sophomore, will be able to fill in. He also is banking on help from Virgil Alford, a sharpshooting 5-7 guard. Another top prospect is Lawrence Isaac (6-0).

Dixon took over most of the scoring chores from Hatter and Turner late last season and looks as the key offensive figure this year.

Lynch said the Dixon twins are fine ball handlers, and Isaac, with having fine moves inside.

Purchase of trophies for two purchasing tournaments to be held at Granite City high school—an invitational Christmas holiday meet Friday and Saturday, Dec. 27 and 28, and a freshman-sophomore tournament Saturday, Jan. 18, authorized Tuesday night by the school board.

The trophies, totaling \$330 or more, will be obtained from the House of Trophy Co. of Granite City.

Estimated budgets, to be financed from entry fees and admissions, were approved for the two tournaments. They are expected to amount to \$460 for the first and \$400 for the second.

Claude Picks:

Alas, poor Claude!

Despite a rather good week, the mechanical marvel's average of correct high school football predictions will fall below 750 for the season.

Claude got nine of 11 right last weekend. The season mark stands at 744-for-103 or .718. Even perfect calls on the six remaining game games would leave Claude at 745.

Misses last week came when Nashville nipped Highland 20-12, the Belleville-East St. Louis game, when he picked Marquette to win.

On the two local high schools, Claude picked Belleville over Granite City by 28-14 (it came out 35-13) and Jerseyville over Madison by 25-7 (actual count was 13-7).

Still determined to prove that machine is better than man, Claude has picked five games on the coming weekend's spotty late-season schedule.

Next week, he'll concentrate all his metal mentality on one game—the Belleville-East St. Louis battle Thanksgiving Day.

The picks:

## Joe Hiles, Norm Wilfong Led Warrior Attack, Figures Show

Joe Hiles, who did most everything, and Norm Wilfong, an elusive yardage-eater, paced the Granite City high school football team's offense in 1963, according to statistics released today by Coach Jim Morrison.

Hiles, a hard-running halfback who filled in at quarterback when needed, gained 171 of the Warriors' total 1622 yards rushing. He also led in scoring with 38 points.

The strong 195-pound senior carried 123 times for an average of 5.5 yards, caught seven passes—most on the team—for 87 yards; and completed three passes of his own for 38 yards.

Hampered by injury

Also, he maintained a punting average of better than 30 yards. All this is doubly remarkable, considering Hiles was hampered almost all season with a knee injury.

Michael Lopez Photo  
**WARRIORS' leaders on offense included half-back-quarterback Joe Hiles.**

Wilfong, a senior who played halfback and fullback, paced the team with a rushing average of 7.1 yards, with 533 yards gained in 76 tries. He also caught four passes for 54 yards.

Junior quarterback Doug Winfield completed the most passes, 15 for 143 yards.

Defensive leaders, according to Morrison, were linebackers Randy Stegelmeyer and Eric Robertson, with totals of 70 and 65 tackles and assists, respectively. Next were guards Jerry Lybarger and Ernie Kern with 52 each.

**Bags Deer On Own Farm**  
Oel Blumensack, 1687 Market street, Madison, is among those receiving compliments for a deer kill during the opening days of the 1963 deer hunting season, which will end Nov. 28.

**Suspect In Stabbing Taken To County Jail**  
Awaiting grand jury action on a charge of aggravated battery, Robert W. Forester, 18, of 2117 Delmar avenue was transferred Tuesday night from the Madison city jail to the Madison county jail. Bond has been set at \$1000.

He is charged with stabbing John Belovich, 22, of 2708 Denver street Nov. 9 on a tavern parking lot. Belovich is in good condition today at St. Elizabeth Hospital.

**YMCA Teenage Teams**  
Teams for teenage basketball leagues at the YMCA are currently being formed. Play for the high school sophomores, juniors and seniors starts Saturday, Nov. 23. Information may be obtained from the YMCA Teenage Department or by calling TR 6-7200.

**Park Basketball Meeting**  
An organizational meeting will be held at 7 p.m. today at the Wilson Park office for the Classic, Church, High School and Junior High School basketball leagues. Harold Brown, superintendent of parks and recreation, will be in charge.

## Skinner, Lusk Paced Trojan Grid Offense

Quarterback Gary Skinner and fullback-halfback Paul Lusk accounted for 70% of the Madison Trojan's total offense during the past football season, final statistics for the high school showed today.

Skinner passed for 344 yards, while completing 37% of his passes and ran for another 138 yards. He is a senior and won't return next season.

Lusk, a sophomore, picked up 418 yards in 108 carries—almost four yards a try. He is the brightest hope for next year's backfield.

Top pass receiver was halfback Mike Konuch, who snagged 14 passes for 210 yards.

Cochin Glen Pickering's team finished with a 2-6 record this season and ran fourth in the Midwestern Conference with a 2-3 record.

**GAME RESULTS**  
Wins—Dupo, 35-0; Bethalto, 13-8; Lanes, 13-0; Cahokia, 14-18; Roxana, 0-18; Highland, 14-25; Jerseyville, 7-18.

## Prep Scoring Leaders Will Scramble For Lead As Grid Season Nears End

Three of the four top scorers in prep football circles will scramble for the No. 1 position in games this weekend.

Bethalto's Jim Goodwin and Alton's Leroy Johnson are tied for the lead with 72 points each. Next are Sam Ellsworth of East St. Louis Lincoln and Joe Townsend of Edwardsville with 66 each.

All but Townsend, whose season has ended, play again but Goodwin has the big advantage. Since Bethalto plays two more games to one more by Alton and Lincoln.

Two other players seem to have a shot at the scoring crown. Jerry Bauer of Cathedral (54) and Ken McCumber of Belleville (48).

East St. Louis' Jim Rietis (44) also has a remote chance since his school also plays two more games. Both East St. Louis and Belleville play 11 games this season compared to the eight or nine contests played by most schools.

Granite City's Joe Hiles has completed his season with 38 points and currently stands in sixth position.

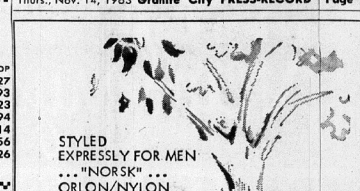

Top Madison scorer was Paul Hines 16th on the list.

The scoring figures will not be final until after the Belleville-East St. Louis Thanksgiving Day battle. The current top 25:

Moose Women  
Hear Review

The Women of the Moose  
held a chapter night program  
last night with Mrs. Edie Free-  
man, library committee chair-  
man, in charge.  
Alderman Gabrielle Bettine  
reviewed the book "Feminine  
Mystique" written by Betty  
Friedan, and the book was pre-  
sented to the public library by  
the lodge.  
During the business hour  
a new member, Mrs. Jewell  
Fraser, was enrolled. The re-  
mainder of the time was spent  
socially and refreshments were  
served to 28 members. Prizes  
were won by Mrs. Pearl Givens  
and Mrs. Hattie Lance, and  
Mrs. Iris Chastain received the  
"white elephant".  
Attention was called to the  
next meeting Nov. 25 when a  
banquet will be served at 6 p.m.  
honoring the past regents.

Sortority Hears  
Talk On Cancer

Epsilon Eta Chapter of Ep-  
silon Sigma Alpha sorority, meet-  
ing last night in the home of  
Mrs. Joyce Wilmore, 2600 East  
24th street, heard a talk by Mrs.  
Carol Groves on "Cancer".  
Mrs. Roberta Arleser, presi-  
dent, conducted the meeting, and  
the discussion centered upon the  
contribution of radio for the  
therapy room of St. Elizabeth  
Hospital and announcement of  
several hours work by four of  
the members in the clinic at the  
hospital recently.  
Also announced was a board  
meeting to be held in Canton,  
Ill., Sunday.  
The price for the evening was  
to Mrs. Nancy Sabo. Refresh-  
ments were served to those men-  
tioned and to Mesdames Judy  
Hinterser, Harriet Dix, Joann  
Borowitz and Miss Janice  
Steinhauer and Glenda Moore.

275 Attitude Open  
House At Emerson

Open house in observance of  
American Education Week was  
held Tuesday evening at Em-  
erson school with about 275 par-  
ents and friends attending.  
Works of art, maps and spe-  
cial assignments were on dis-  
play in the rooms, and Mrs.  
Newell Darnet, PTA president,  
conducted a business meeting in  
the school gym after the room  
visitation.  
The flag ceremony was con-  
ducted by Girl Scout Troop 270,  
Sue Bryar and Jean Edwards,  
leaders. Rev. Truman Collins  
gave the invocation.  
Mrs. Walter Johnson, serving  
on the legislative committee,  
submitted the by-laws revision  
for adoption, and Jerry Johnson,  
budget and finance chairman,  
read the proposed budget which  
was approved.  
Nov. 19 was the date set by  
Mrs. Roger Fritz, chairman, as  
the deadline for the member-  
ship drive. 1963-64 membership  
books were distributed by Mrs.  
Janice Bergfield. The theme  
was "Strengthening Human  
Values Through Shared Respon-  
sibility".  
New scout leaders, Sue Bry-  
ar, Joan Edwards, Georgia  
Teller, Kay Morgan, Ann Fowl-  
er and Mildred Browning were  
introduced by the organizer,  
Mrs. Van Stuart.  
The room attendance award  
went to Mrs. Elizabeth Rice,  
third grade room, and awards  
to the parents were presented  
to Mrs. Virginia Collins, Mrs.  
June Schneider and Mrs. J.  
Jones.  
Refreshments were served by  
the 5th and 6th grade room  
mothers.

Group Hears Talk  
On Pollution

The Granite City Democratic  
Women's Club met last night  
at the Rose Bowl.  
Mrs. Percy Dorch, president,  
presided and introduced Alder-  
man Charles Moorhead, who dis-  
cussed water pollution. Follow-  
ing the talk a question and an-  
swer period followed with Ford  
and William McGee taking  
part with the speaker.  
Forty members were present  
and plans were made for a  
dance Dec. 6 at the American  
Legion Home in Venice, and for  
a Christmas party and a gift  
exchange of the club members  
Dec. 11 at the Rose Bowl.

Amvets Auxiliary  
51 Plan Serving

Plans to serve chicken and  
turkey during a post sponsored  
turkey shoot at 1 p.m. Sunday  
was planned last night by Am-  
vets Auxiliary 51, meeting at the  
post home, 5100 Lakeside drive.  
Mrs. Bertha Macios, president,  
was in charge, and Mrs. Dorothy  
McClary gave the prayer. The  
"white elephant" went to Mrs.  
Lila Sanders. The members  
pledged to give a donation to Child  
Welfare. Eleven were present.  
Refreshments were served.

United Fund Rocket  
Still Moving Slowly

The United Fund moon rocket  
continued to creep forward to its  
goal this week as A. P. Sotter,  
hauser, the chief astronaut, an-  
nounced a climb of 0.5% in the  
funds collected and pledged.  
The new figure is \$290,910 or  
2% of the \$12,213 goal. The  
United Fund organization had  
hoped to top the goal earlier this  
month.  
Sotter said he will hold  
strategy meetings with his divi-  
sion chairmen tomorrow and  
Monday in an effort "to pump  
more fuel into the rocket."

Dinner Honors  
Nameeki Teachers

The annual teachers' ap-  
preciation dinner of the Nameeki  
school was held at 1 p.m. Wed-  
nesday in the school cafeteria.  
Don Kopp, school principal,  
served as master of ceremonies.  
Special guests were Dr. and Mrs.  
Harold Kaiser and Rev. R. J.  
Baumann, who was speaker. En-  
tertainment was furnished by a  
barber shop quartet composed of  
Kenney Jones, Ray Tally, Rich-  
ard McKinney and Ray Verhees.  
The prize of the evening was  
won by Ronald Coleman, gym  
teacher.  
The dinner was served by Mrs.  
Carol Merz, room mother chair-  
man, assisted by other mothers  
of the school.

Guest Speaker At  
Venice Church

Brian Gentile of Australia, a  
student at Garrett Theological  
Seminary in Evanston, Ill., will  
be guest speaker Sunday evening  
at 7 o'clock at the Venice Metho-  
dist Church, according to an  
announcement by the pastor,  
Rev. Buddie A. Johnson.  
Mr. Gentile did undergraduate  
work in Philosophy at Wheaton  
College, and is currently work-  
ing toward a Bachelor of Di-  
vinity degree at Garrett. Groups  
of other denominations are also  
invited to hear the speaker, es-  
pecially youth groups. Refresh-  
ments will be served in the  
church basement after the serv-  
ice.

daughter of Mr. and Mrs. Roy  
L. Criss, 1222a Madison avenue  
and William C. Browning, a son  
of Mrs. Gertrude Browning, 2158  
Cleveland blvd., were married  
Wednesday afternoon by Justice  
of the Peace Harry Hartman.  
The ceremony took place at  
5:30 o'clock with the bride-  
groom's mother as witness. A  
small family reception followed  
at the bridegroom's home.  
For her wedding the former  
Miss Smith wore a blue wool  
suit and black accessories. The  
couple will reside in Granite  
City. Mr. Browning is employed  
in East St. Louis.

### HOLIDAY DINNER FOR GIRL SCOUT LEADERS

Neighborhood Three Girl Scout leaders have scheduled a Christmas party and dinner for 6:30 p.m. Dec. 5 at Camp Lakota. Mrs. Delores Sanders and Mrs. Virginia Mariette will be chairmen. Meat will be furnished, and each leader is to bring a covered dish.

Reservations are to be made with Mrs. Doris Stoltz, 2571 Dodge avenue, by Nov. 22.

New individual records, registration forms and pamphlets have been distributed to the leaders, and they are to supervise preparation of Christmas gifts by the scouts.

An arts and crafts training course started today at St. Peter Evangelical and Reformed Church. Troop consultants will hold a workshop at the same church Nov. 20, and leaders are being urged to contact the consultants on questions and problems.

Each troop is to bring a decorated basket of canned goods and other food to the "Festival of Giving" Dec. 1 at the Granite City high school gymnasium. The troops also will make Christmas ornaments for the baskets.

### MRS. RAINWATER HOSTESS TO CLUB

Mrs. Virginia Rainwater, 2401 Wilson avenue, entertained her club in home Monday evening.

First, second and third prizes went to Mesdames Alma White, Joyce Campbell and Josephine Matthews.

Refreshments were served to those named and Mesdames Dan Troekler, Guy Henson, Joyce Sartin, Pauline Lou and Mary Nezo, Barbara Miller and Elaine Bone.

Mrs. Miller invited the club to her home, at 3029 Sunbury avenue, next month.

### FIRST-AID TRAINING FOR SENIOR SCOUTS

Senior Girl Scout Troop 259, sponsored by St. John's United Church of Christ, will meet tonight to begin a ten-hour standard first-aid course. The Thursday evening classes will be two hours long each week and will be taught by Euell Mann, chairman of Madison civil defense first-aid club.

Troop 259 holds its regular meetings at the church on the first and third Tuesday of each month. Mrs. Elmer Stille is leader of the troop.

### PLAN SUNDAY SCHOOL CHRISTMAS PROGRAM

Sunday school teachers of St. John's United Church of Christ met at the church Tuesday evening with the superintendent, Elmer Stille.

Mrs. Ellen Ehler was appointed director of a Christmas program which was planned and will be presented Sunday, Dec. 22.

New members elected to serve on the Board of Christian Education were Mrs. Ida Weiss and Mrs. Donald Rivenburgh.

### PLAN 4-H PROGRAM FOR COMING YEAR

The Junior 58ers 4-H club met Monday evening in the youth center of St. John United Church of Christ.

The club leader, Mrs. Robert Brave, and officers and junior leaders discussed and planned the program for the 1964 year.

The next meeting will be held Dec. 5 at 7 p.m. at the church. The Senior 58ers 4-H club will hold an election of officers at the church at 7:30 p.m. Nov. 21.

### SUMMER CAMP PROJECT

A monthly meeting of St. John's United Church of Christ Churchmen's Fellowship was held Monday night with the president, Glenn Kluefer, Vice-President Howard Walow, Secretary Charles Moritz and Treasurer Donald Rivenburgh.

John Bondegard and Jack Feig were elected to the offices of vice-president and secretary, effective Jan. 1.

Establishment of a summer camp at Dubois, Ill., church youth and families was the year's project discussed at the full meeting of the South Illinois Churchmen's Federation at Highland, Ill. It was pointed out, Walow is in charge of fund-raising for the camp at St. John's.

It was announced that the Churchmen's Fellowship has been invited to attend a Fellowship meeting at Salem, Ill., Nov. 16 at 7:30 p.m. The group will leave from the church on that date, and transportation arrangements may be made through Moritz or Kluefer.

### FELLOWSHIP TO MEET

A "Festival of Sharing" is in progress at Trinity Methodist Church and elsewhere in the state to collect funds for support of the Methodist Children's Home, Lawrenceville, Ill.; the School of Nursing, Alton; McKendree College, Lebanon; and other programs. The Trinity Methodist Youth Fellowship conducted the solicitation of Trinity church members.

Dr. Leland H. Holt, veterinarian, has agreed to speak at next Sunday's MYF meeting. Miss Linette Underwood, president, and MYF members have issued an invitation to Granite Cityans aged 12 to 23 to join in their activities.

1000-HOUR "WINGS" CERTIFICATE being received by Mrs. Freda Leaton from Sister Mary Thomas, administrator for St. Elizabeth Hospital, in a ceremony Tuesday.

### Legion, Auxiliary Set Turkey Dinner Nov. 26

Plans for a turkey dinner at 6:30 p.m. Nov. 26 were made at a meeting of Tri-City American Legion Post 113 Tuesday night. Members of the auxiliary will participate. Members were asked to take a covered dish, as turkey and dressing will be provided by the post. A joint meeting with the auxiliary will follow. During the meeting Joe Coleman was elected to the board of trustees to fill a vacancy created by LaVerne Brewer, who moved away.

Gay Cooper, commander, announced that the auxiliary contributed 12 large banquet tables to the post. Donald Cooper, senior vice-commander, reported that membership for 1964 is now at 198. The quota is 364. The executive board contributed \$10 to the Granite City high school Band Parents Association. The meeting was opened with prayer by Harold Summers, 22nd district chaplain.

Usually it's the man with no family tree who branches out to and succeeds on his own.

### DRIVE THE 1961 GOLDEN ANNIVERSARY DODGE AT FARRINGTON MOTORS, INC.

### Mrs. Leaton Is Honored For 1000 Hours Volunteer Work

A "wings" certificate for completing 1000 hours volunteer service was presented Tuesday to Mrs. Freda Leaton, 614 Washington avenue, Venice, who at 11 a.m. that day completed her 1000th hour at St. Elizabeth Hospital.

Mrs. Leaton, who is in charge of the hospital's Pink Ladies and Candy Strippers organizations which have donated thousands of hours of volunteer service, began her volunteer work on Jan. 15, '61.

Since that time she has worked on the hospital's medical floor, attended aides classes to make her services more valuable and has assisted in the surgical recovery room and the emergency room.

She took charge of the volunteer programs in February 1962 and they have continued to expand and grow with volunteer ladies and teenage boys and girls.

Sister Mary Thomas commented, "Mrs. Leaton is one of the many generous volunteers who makes life happier for others by giving her time and service."

Joe Michel Recovering From Surgery  
Joe Michel, 1915 Pontoon road, is a patient at John J. Cochran Veterans Hospital in St. Louis where he has been a patient since Oct. 25 while recovering from major surgery.

He is a member of Venice-Madison American Legion Post 307 and Veterans of World War One, Barracks 34.

### Eagles Auxiliary Prepares For Drive

Final arrangements were made at a meeting of the Eagles Auxiliary Tuesday evening for the kickoff dinner for the Salvation Army "Tree of Lights" to be held Nov. 30 with the Auxiliary members preparing and serving the meal.

Mrs. Helen Prengel presided at the meeting and appointed Mrs. Florence Hillis and Mrs. Mae Amisch as co-chairmen of the kitchen committee. Mrs. Prengel will be in charge of the dining room.

Contributions were made to The Tuberculosis Sanatorium Christmas Seal Fund, the Hy-Sky Girls Ranch and to the Eagle House in Mexico.

Mrs. Betty Bauer, Mrs. Bernice Cobb, Mrs. Ruth Evans and Mrs. Hazel Fox were new members balloted on. They will be initiated Dec. 1.

Mrs. Delores Klesh reported on a party for patients at the County Sanatorium in Edwardsville held recently at which the "Eagles" kitchen band entertained. The band also is slated to entertain at a PTA meeting in Glen Carbon this evening.

After the meeting, the members, attired as hohos, held a party. Mrs. Fay Briggs, social chairman in charge of decorations, had arranged a true hobo setting of bon fires and old newspaper. A molasses stew was served by Mrs. Irene Puhse and Mrs. Florida Batson.

The "white elephant," donated by Mrs. Ann Konojka, went to Mrs. Juanita Blevins, and the prize for the evening was awarded to Mrs. Theresa Daigler.

The Auxiliary will meet again Nov. 26 at 6:30 p.m. a feature of which will be an old fashioned pot luck supper.

### GOLDEN AGE CLUB PLANS DINNER

Kirkpatrick Homes Golden Age Club met Tuesday at the hall with 30 members present. Mrs. Clara Kraus of Venice spoke on a "helping hands" convalescent program and plans were made to hold a Thanksgiving dinner Tuesday, Nov. 19, instead of Nov. 26 as the hall will be used on that date for the city's interceptor sewer bond election.

## Hospital Provides Testing Kit For Newborns

"A kit for home do-it-yourself testing of newborn infants for one disease that could cause mental deficiency if not caught in time is being provided the mothers leaving the maternity department at St. Elizabeth Hospital.

The program is endorsed by the medical staff and can be carried out by the parents at home during the first two to six months of the babies' lives. Instructions and a kit are given to the mother before she leaves the hospital, and she is told how to present the data to the family physician.

Sister Mary Thomas, hospital administrator, said the testing is required in several states. However, it cannot be done conveniently at the hospital since the baby must be two weeks or more old before the tests can be made. Most babies are out of the hospital before reaching the testing age.

Known As "PKU"

The disease which can cause mental deficiency if not caught in time is Phenylketonuria (PKU). It is one of the causes of mental retardation.

To detect it, a Phenistix Home Testing Kit is given the mother. Sister M. Thomas explained the incidence is about one in 10,000 to 20,000 newborns.

"An increasing interest in PKU," she said, "has led the medical profession, public health authorities and the public to the establishment of organized programs for early detection of PKU in infants."

"One of the main centers for the detection of this disease is the hospital, and St. Elizabeth Hospital has instituted a testing program for PKU whereby a mass screening of newborn infants is being conducted through home testing."

"Home testing," she continued, "can detect PKU in time. All patients are given testing materials and have demonstrated to them how they can do home testing."

Contents Of Kit

The Phenistix Home Testing Kit contains a letter to inform parents about PKU and three full-wrap Phenistix Regent Strips attached to a folder bearing instructions for testing and a form recording dates and results of tests plus an envelope for mailing or taking the report to the family physician.

"PKU detection is of the greatest importance to the fam-

EXPLANATION of the new Phenistix Home Testing Kit being given to Mrs. Kathryn Rusick, RN, of St. Elizabeth Hospital, to her daughter, Donna Sue, for detection of PKU. Mrs. Rusick, a registered nurse herself, said she realized the importance of the testing.

In one of his tests he added 10% Ferric Chloride to the children's urine. Upon the addition of this, the urine turned green. If the baby's liver happens to lack the enzyme necessary for digesting phenylalanine (a chemical found in all protein food stuffs) the undigested chemical slowly accumulates, and after a few weeks or months the baby's blood may contain 30-to-40 times the normal amount.

The lack of a chemical has such effects as PKU children being abnormally blond, the excretion of a chemical which turns green in the presence of ferric chloride and most tragic, irreversible brain damage. This happened to the two Norwegian children and may happen today to many in whom PKU is not detected early. Permanent mental deficiency occurs in nine out of 10 cases.

"There they were examined and tested by Dr. Ashborn Fol-

accidental shooting

Billy Parris, 1735A Delmar Avenue, accidentally shot himself while unloading a 12-gauge pump action shotgun. It was reported to Granite City police at 1:10 p.m. Tuesday. Parris, 21, was taken to St. Elizabeth Hospital. He was treated by a physician. The report was made by Carol Parris of the same address.

### VISIT IN INDIANA

Mr. and Mrs. Bill Heath, 2248 Adams street, accompanied by Mrs. Heath's mother, Mrs. Lucy Cabbage, spent the weekend in Evansville, Ind., visiting Mrs. Heath's brother and sister-in-law, Mr. and Mrs. Jim Cabbage, where Mrs. Lucy remained to visit for a time with her son and daughter-in-law before returning home to Kentucky.

She had been visiting Mr. and Mrs. Heath and her grandchildren in this area for six weeks. The trio stopped in Mount Carmel, Ill., for a short visit with Heath's brother-in-law and sister, Mr. and Mrs. Herman Scherrer, formerly of Granite City.

Mrs. Lillie Anderson and children, James and Judy, 2047 Circle drive, visited during the weekend with Mrs. Anderson's brother and sister-in-law, Mr. and Mrs. Roy Bell, Grubville, Mo. Her nephew and niece, Mr. and Mrs. Rex Bell and son, Jed, were with them.

### ROYAL AMBASSADORS MEET AT CHURCH

Royal Ambassadors of the First Baptist Church met Tuesday evening with the congregation, Ernest Hopkins Jr. They worked on projects, played table tennis and threw darts.

The meeting was opened and closed with prayers led by Steve Stagner. Boys attending were James Seay, Delmar Lewis, Steve Stagner, Richard Seay, Clifford Baker, Randy Wright and Darrell Harbison.

After the meeting, the boys distributed leaflets concerning a revival meeting starting Nov. 17.

## Holidays, Books

### Topics Of Club In Madison

Christmas plans were made as Mrs. Hilda Gravelle, president of the Madison Junior Service Club, presided over a monthly meeting Tuesday evening at the Madison recreation center. About 30 members responded to roll call.

Miss Marian Chizek read the point sheet on service and projects, and a discussion was held on a dinner dance and a spring social.

A report was read on books purchased for the Madison library by the club and of books ordered for that purpose. The members will be selling tickets for a St. Louis basketball game in January.

The annual Christmas party is to be held Dec. 10 at Rusty's in Edwardsville. Dinner will be served at 8 p.m., and a gift exchange will be held. Hostesses for the party will be Mrs. Adrienne Wardlaw, Mrs. Mimi Cosh, Mrs. Marie Miller, Mrs. Mary Stanfill and Miss Marian Chizek, and reservations are being called in.

Final plans were made for a social, and the hostesses, Mrs. Maxine Skinner, Mrs. Helen Franch, Mrs. Marilyn Schaffner and Miss Nina Dittman, served refreshments in keeping with Thanksgiving.

The tables were in white with Thanksgiving napkins and favors at the place settings. A club calendar was at each place, giving details of each meeting, the hostesses, month, officers and past presidents, as well as a resume of the history of the club.

Prize winners for the evening were Mrs. Mary Stanfill, Mrs. Evelyn Blatter, Mrs. Worchol and Mrs. DeLoye Rhoads.

## Parents At St.

### Mark's Planning Holiday Dinner

The November meeting of St. Mark's Parents and Friends Association was held Tuesday evening. The president, Mrs. Evelyn Tolliver, conducted the business session and reports were given. A Christmas party will be held at the next meeting.

A dinner will be served by a catering service at the Christmas party. Reservations should be made with Mrs. Yvonne Kitzel by Dec. 3.

Plans also were discussed for Christmas caroling on Dec. 22. The PFA is making Christmas decorations to sell, and orders are being placed with Mrs. Ruth Williams and Mrs. Gloria Kowalski.

Following the business session movies were shown by the Sisters of the school. A dessert course was served to 28 members by the hostesses, Mesdames Annette Daniels, Pat Cicio, Bertha Pace, Evelyn Tolliver and Lena Georff.

MRS. C. W. GENARD IS HOSTESS OF CLUB

The July Twelve card club met Wednesday afternoon in the home of Mrs. Robert Howell, 2914 Yale drive, with Mrs. C. W. Genard as hostess.

A noon luncheon was served by Mrs. Howell and Mrs. Louise Thompson, daughters of the hostess, and following the meal there were card games. Awards were made to Mrs. Kathryn Smithson, Mrs. Charles Sparks, Miss Jean Barnes, Mrs. Ethel Robinson and Mrs. Sophie Parker.

The next party will be with Mrs. Marceline Jung, 5204 Anthony avenue.

## Jr. Service Club

### Board Discussion

Mrs. Louise Kovar entertained members of the Granite City Junior Service Club executive board Monday evening in her home, 2113 Madison avenue.

Mrs. Bernice Fitzpatrick, president, presided over the meeting and asked for reports from Mrs. Eva Burns, Mrs. Maybelle McConnell and Mrs. Peggy Kamolins.

The president then announced that each member will have tickets for a St. Louis basketball game Sunday, and the members are to attend communion in a group.

Plans for the Christmas party have been made for Dec. 9, and it is to be held in the school cafeteria. A gift exchange will take place during the evening. Dinner is served each year as a Christmas treat to boys and girls of the school. It will be served in the cafeteria on Dec. 19, and members are asked to assist with the party.

A bake sale is to be held in the chapel of the church Nov. 30 and Dec. 1. Tentative plans for a social to be held in January were discussed, along with a social to be held in March.

Father Engelbert Benek spoke to the group on "Christian Atmosphere in the Home During the Christmas Season."

Mrs. Adelle Wayiak, Mrs. Theresa Sanders, Mrs. Lee Ripan, Mrs. Betty Bulva and Mrs. Elvora Vrabec, hostesses, served refreshments.

## St. Mary's PTA

### To Hold Dinner For Students

Holiday plans highlighted a monthly meeting of St. Mary's Parent-Teacher Association Monday evening the school cafeteria.

Frances Ratkewicz, president, presided over the business session. The chairman led the group in prayer, and 34 members responded to roll call. It was announced that Nov. 24 will be Communion Sunday, and the members are to attend communion in a group.

Plans for the Christmas party have been made for Dec. 9, and it is to be held in the school cafeteria. A gift exchange will take place during the evening. Dinner is served each year as a Christmas treat to boys and girls of the school. It will be served in the cafeteria on Dec. 19, and members are asked to assist with the party.

## Past Presidents' Club Meeting

The Past Presidents Club of the Eagles Auxiliary was entertained Monday evening by Mrs. Rinda Brown, 2423 Washington avenue.

A dessert course was served before the business meeting led by Mrs. Cava Hettick, president, and Christmas plans were made, including a party Dec. 9 in the home of Mrs. Mary Markham named chairman of the affair. She announced that the club members will take materials to make Christmas decorations, and will instruct the patients.

The annual club Christmas party will be held Dec. 10, with tentative plans made to hold the dinner in Edwardsville. Mrs. Kincaid will be chairman, and each member will bring a gift to exchange.

Following the business meeting, a social hour was enjoyed by the members and the hostess served a dessert luncheon to Mesdames Helen Bennett, Yvonne Guth, Ida Haeleider, Evelyn Leu, Ames Miller and daughter, Mary Jan, Beulah Miller, Geneva Paul and those named.

SHRINE WILL HOLD STATED MEETING  
A stated meeting of Gabriel Shrine 78, White Shrine of Jerusalem, will be held at 7:30 p.m. this evening at the Masonic Temple.

Mrs. Ola Downing, worthy high priestess, and William Penock, vanguard of Shepherds, will be the presiding officers. Final plans are being made by the Shrine for the rummage sale to be held at 9 a.m. Saturday at the IOOF hall.

## Parties Planned By Garden Club

The Thorngate Garden club held its monthly meeting Tuesday evening in the home of Mrs. Doris Smith.

Mrs. Carolyn Moser, president, presided and reports were given by Mrs. Wanda Kincaid, treasurer, and Mrs. Pat Polley, secretary.

Plans were made for a Christmas party to be held at Alton State Hospital for the patients Dec. 4. Mrs. Mary Markham was named chairman of the affair. She announced that the club members will take materials to make Christmas decorations, and will instruct the patients.

The annual club Christmas party will be held Dec. 10, with tentative plans made to hold the dinner in Edwardsville. Mrs. Kincaid will be chairman, and each member will bring a gift to exchange.

## Another Water Line To Be Extended To Mitchell School

Installation of a new water line to serve the enlarged Mitchell school was authorized by the Granite City school board Tuesday night.

School Engineer Marvin Dean noted that water volume and pressure have been inadequate at times for the school's drinking fountains. With a six-classroom addition, currently being completed, the water supply is regarded as insufficient without improved piping.

A two-inch aluminum line will be installed underground, with an additional meter and connection to the public water main. The two-inch aluminum line will be installed underground, with an additional meter and connection to the public water main.

The Ponton Leach Water Co. will be paid \$200 for the meter and connection, and there will be no extra monthly charge for the meter.

Excavation and pipe installation are expected to cost another \$150.

**Treatment Plant Service**  
The board entered into a \$340 annual contract with Waste Disposal Services, Belleville, on the new Mitchell school sewage treatment plant. It was described as covering all services except major overhaul or major replacement.

The firm will make five inspections weekly during the school term and will take periodic samples of sewage, including laboratory analysis.

The treatment plant consists of an open-top steel tank with a pump and aeration system. The tank is aerated and after settling, leaves as clear water. Equipment in the \$25,000 installation includes a blower, comminutor, foam spray, heater, chlorinator, timer and automatic controls.

**Revamp Windows**  
Responding to suggestions by Mitchell Fire Captain John Sands, the school district has altered a window in each of four Mitchell grade school classrooms.

**LAST WOMAN'S CLUB**  
25TH ANNIVERSARY

The twenty-fifth anniversary dinner of the Madison County Last Woman's Club of the American Legion Auxiliary was held Sunday. The group meets annually, and the meeting this year was at the American Legion home in Highland.

Dinner was served at 1 p.m. with a business meeting following. The club was organized by Margaret Taylor in 1938 and one member, Erma Knebel of Highland, who has never missed a meeting was presented with a gift.

An election of officers was held and those elected were: president, Margaret Taylor; vice-president, Adeline Dishing; treasurer, Catherine Kranz; chaplain, Thelma Tiekner; sergeant-at-arms, Fannie Ulrich; and secretary, Kathryn Fellers. The new officers were installed by Arma Knebel.

Following the business session, a social hour was enjoyed and games were played, with prizes awarded. Attending from the local area were Kathryn Fellers, Margaret Taylor, Melba Wade and Adeline Dishing.

**CLUB MEETS AT**  
SIZEMORE HOME

The Yak-Yak club met Tuesday evening at the home of Mrs. Beulah Sizemore on Third street. The evening was spent at games, and prizes were awarded.

The hostess served a dessert luncheon to Fern McMonagle, Clara Simmons, Faye Smiley, Grace Backs, Dorothy Scarlett and Estella Bone. The next meeting will be held at the home of Grace Backs on Nov. 25.

The Sunbeam band of the First Baptist Church met Tuesday afternoon with the leader, Mrs. Gladys Nash. The group resumed its study on November 19.

Those present were Rhonda Hadley, Jayne Metzger, Marilyn Denson, Joey Griffin, Billy Dolans and Dwight McDaniel.

Mr. and Mrs. Edwin Weber, 520 Jefferson avenue, had as dinner guests in their home on Sunday Mr. and Mrs. Art Rivior of St. Louis; Mr. and Mrs. Sam Kelley, Mr. and Mrs. Fred Rivior, Mr. and Mrs. Walter Rivior and Miss Norma Rivior of Granite City; Miss Karen Rodgers and Diane and David Weber.

Mrs. Marie Zeigler was in charge of a meeting of the Junior Girls' Auxiliary held Tuesday afternoon at the home of Mrs. Marie Zeigler.

**Registration Still Open**  
For Letter Writing Class

Registrations still are being accepted for the Tri-Cities Chapter of Commerce "Better Letters" course to be conducted Nov. 18-21 at the Sunset Hill Holiday Inn, it was announced today by Paul D. Stout, chairman of the C. of C. business affairs committee.

The course, with a fee of \$15, is to be conducted in three two-hour sessions by Bill Johnson of Los Angeles, Calif., who is outstanding in the field. To date there have been 22 enrollments at the Tri-Cities C. of C. office and others are being taken at the Edwardsville and Collinsville C. of C. offices.

To be covered in the course is every type of business communication—bulletins, reports and house organs—as well as let-

## Kaiser Consultant To State Gifted Pupil Committee

Supt. Harold M. Kaiser was authorized by the Granite City school board Tuesday night to accept an invitation to serve as one of the three consultants to the reorganized State Advisory Committee on Education of Gifted Children. The other consultants are deans of Western Illinois University and Eastern Illinois University.

Dr. Kaiser was one of 12 original commissioners, and the current membership has been set at seven. Board members described his selection as a consultant as an honor to him and the Granite City school district.

Dr. Kaiser will attend meetings of the state group about once a month. It allocates a \$4,600 budget to encourage special programs intended to improve the education of outstanding Illinois students. Dr. David Johnson heads the committee.

**GNCS, Frohardt, Teachers**

The school board hired Harold F. Gehhart, Columbus, Mo., to serve as a mathematics consultant at Granite City high school effective at the start of the spring semester Jan. 27. He will graduate in January from the University of Missouri, receiving a bachelor degree.

Three new classes established at Central Christian Church, adjacent to Frohardt grade school, will be taught by Mrs. Lois Mullen, an elementary teacher who is returning from a leave of absence. Mrs. Dorothy Jane Benson, 2316a Iowa street, who has five years of teaching experience and holds a bachelor's degree from Colorado State University; and Mrs. Thelma M. Benson, 2828 Wayne avenue, who has four years of experience and a bachelor degree from Southern Illinois University.

Louis E. Meek, music supervisor, was authorized to attend an annual meeting of the American School Band Directors Association Nov. 16-19 in Elkhart, Ind.

**School Board Convention**

The 1963 convention of the Illinois Association of School Boards Nov. 24-26 in Chicago was discussed, with several board members indicating tentatively that they plan to attend. The Nov. 26 board meeting was cancelled.

Dr. Kaiser reported that the school district's annual report to the North Central Association of Colleges and Secondary Schools is being submitted. A detailed evaluation of the high school program is necessary each year in order to qualify for continued accreditation by North Central.

M. A. Wittevrongel, administrative assistant for vocational and adult education, submitted a report on plans to start a federally-financed course for nurses aides next Monday.

## THOMPSONS HONORED ON SILVER ANNIVERSARY

The twenty-fifth wedding anniversary of Mr. and Mrs. Ernest Thompson was observed Sunday with a surprise party. They were married 25 years ago today. The party was given in the home of Mr. and Mrs. Edie Reynolds, 1515 Second street, son-in-law and daughter of the honored couple. Bells and streamers in the silver theme were used in decorations of the home.

Gifts were presented to Mr. and Mrs. Thompson. A wedding cake decorated appropriately for the occasion was served with sandwiches and other refreshments.

Those attending were the honorees and their sons, Harold Dean, Dallas and Dewey, and Mrs. Edie Reynolds and son, Barry, Mr. and Mrs. Don Ogden, Mr. and Mrs. Alvin Thompson, Mr. and Mrs. George Sedberry and family, Mr. and Mrs. Archie Vest, Mr. and Mrs. Harold Stinson and sons, Mr. and Mrs. Loren Robinson and daughter, Brenda, Mr. and Mrs. George Clemens and children, Mr. and Mrs. John Thompson, Mr. and Mrs. Raymond Millspaugh and children, Mr. and Mrs. Bart Payne, Mrs. Irene Woodard, Misses Barbara Smith, Rosie Thompson, Margie Thompson, Dorothy Berryman and Mary Stephens, and Larry Woodard.

## BETA GAMMA PLANS DECEMBER PARTIES

Mrs. Betty Texier was hostess to the Beta Gamma club in her home, 2401 Dewey avenue, Tuesday evening. The president, Mrs. Colleen Evansoff, presided over a short business meeting and a donation was made for the Salvation Army Tree of Lights. Girl Scouts of Troop 170, which is sponsored by the club, will be remembered with a gift at Christmas.

A bake sale was held during the evening. Plans were made for a party to be held for the members and their husbands in the home of Mrs. Wilma Pallas.

## MIZPAH TO HOLD ANNUAL BEAN SUPPER

Singing of hymns opened a monthly meeting of the Mizpah class of the First Presbyterian Church Monday evening. The secretary, Mrs. Hauskins, presided over the meeting and the committee was appointed for the annual bean supper to be held Dec. 7.

The Christmas party for the class is to be held Dec. 9 at the church, with a gift exchange. The members voted that a donation be made to the Salvation Army Tree of Lights.

The meeting was closed with the Mizpah benediction. Hostesses were Mrs. Dorothy Cramer and Mrs. Rae Miller. Others present were Mrs. Merle Gnoth, Mrs. Martha Bosworth, Mrs. Betty Rodgers, Mrs. Margaret Michaels, Mrs. Annie Laura Platt, Mrs. Eunice Wilkerson and Mrs. H. B. Colophon, wife of the new minister of the church.

At 7:11 a. m. continued teaching the lesson, "In the Church," with prayer by Mrs. Rae Miller.

## PROXY SHOWER AT GLEANERS MEETING

The Gleaners Sunday school class of the Temple Baptist Church met Tuesday evening in the home of Mrs. Mary Arnold, 1833 Harris street. The devotion was given by Mrs. Dorothy Taylor. The "Greatest Book of All, The Bible."

Plans were made for a Christmas party to be held Dec. 10 at the church. A plot and luncheon shower is to be held Tuesday evening at the church for Mrs. Paul Wilmoth, Mrs. Anna Whit, Mrs. Jackie Frizzell, leader, and Mrs. Stender.

The girls will assist the girls in working on Christmas gifts for their mothers. Those present were Jackie Adams, Kathy Brasfield, Mary Brasfield, Phyllis Frizzell, Christine Kelly, Norma Kelly, Sharon Morgan, Connie Pischonke, Mary Nell Stroder, Laura Wilson, Deborah Votoupal, Karen Wainwright, Ruby Young, Angela Richardson, Laura Steward, Linda Kuntz and Terri Moore.

The girls will meet at the Louis Beer school cafeteria for their next meeting.

## BIRTHDAY DINNER

Lawrence Binn was guest of honor Tuesday evening at a birthday observance held in the Greener Home recreation hall. Gifts were presented to the honoree as he entered.

A decorated cake adorned the refreshment table, and was served with lunch to Mr. and Mrs. Binnell, Mrs. Edith Arnold, Mrs. Dora Vaughn, Tim Gardner, Mr. and Mrs. John Brown and a daughter, Gary, Mr. and Mrs. Luther Roy, Mr. and Mrs. Ralph Stoklin, Mr. and Mrs. Jack Wilson, Mrs. Betty Yandley and children, Janice and Randy, Mr. and Mrs. Lawrence Arnold and children, Jeff, Tammy and Shelly, Mr. and Mrs. Larry Arnold, Mrs. Wanda Seiler, Mrs. Frank Greathouse and sons, Frankie and Dennis, George Arnold, William Arnold, Gary Barton and Rickie Price.

Out-of-town guests included Mr. and Mrs. Clarence Peltite and sons, Mickey and Ronald, and Mr. and Mrs. James Lashaw and family of St. Louis county.

Girl Scout Troop 46 of St. Mary's began work on the star banner it met Monday afternoon in the school cafeteria with the leader, Mrs. Mary Etta Wambach. The girls were asked to think of ideas for Thanksgiving and to discuss them at the next meeting.

The meeting closed with a flag ceremony by JoEllen Pingle, Kathy McCannahan, Christine Sander and Carol Moss. Other girls attending were Andrea Theisen, Karen Nizinski, Delores Stans, Joan Sasyk, Jane Sasyk, Sharon Lelienewski, Kathy Krpan, Paula Broadway, Vickie Votoupal, Vickie McQuay, Jocelyn Pingle, Carol Sasyk, Linda Blitch, Brenda Broadway, Debbie Topal and Josephine Judd.

Refreshments were furnished by Karen Nizinski and JoEllen Pingle.

Madison Methodist Youth Fellowship members and sponsors attended a sub-district meeting Monday evening at the Niedringhaus Methodist Church. The meeting was for the Festival of Sharing, for which the Madison youths have collected \$72 from Madison residents.

# 25 YEARS

The following items were taken from the files of the Granite City Press-Record.

**MONDAY, NOV. 14, 1838**

A "Last Man's Club," open to ex-servicemen only and beginning with a membership of 67 veterans, was perfected at a banquet served Thursday night at the White Star, near the corner of Madison and Third streets. The banquet was given under the sponsorship of Venice-Madison Post 307 of the American Legion.

Officers elected were: president, Harry Pelles; Madison, vice-president, William Redmond; Mitchell, secretary, Thomas Humphries; Troy, chaplain, Harry Odum; Madison, treasurer, Harry Hartman; Venice, secretary, Harry Grubbs; Granite City, sergeant-at-arms, Harry Johnson; Madison, and custodian, Joseph Bergrath, Mitchell.

The club will fund under rather unexciting laws. All meetings must be held around noon, and tables and chairs must be used each year. Armistice Eve has been selected as the most appropriate time for future banquets.

Every member has been given a bottle of champagne. This will be to be preserved until the owner dies and is then to be drunk as a toast to him by the surviving members at the funeral, preceding burial following his demise.

As the years pass and members die, empty chairs draped in mourning will be placed at the banquet tables in their memory. The last surviving member is pledged to drink his own wine and then turn over all club records to the Madison County Historical Society, thus finally resolving the club.

Rev. W. E. Cook, pastor of an Oklahoma City Baptist church, has accepted a call to the West Granite Baptist church. He will succeed Rev. John Gill.

High school attendance continued at a high level last month with an average daily enrollment of 1431. Supt. Paul A. Grigsby reported to the board of education.

Mrs. Golda Malotik was elected worthy matron of Granite Chapter Order of the Eastern Star, Friday at the annual election of the organization at the Masonic Temple. She succeeds Mrs. Sadie Welty.

James Fleming was elected worthy patron; Mrs. Lydia Thies, associate matron; Mrs. Emma McKeown, secretary; Mrs. Laura Reiter, treasurer; Mrs. Esther Magnus, conductress; and Mrs. Katherine Roman, associate conductress.

An all-day meeting of the E.M.B. Floral club was held at the K. of P. Temple last month with 24 members and four guests attending. The hostess committee was composed of Mesdames Frank Fox, James Carley, E. Land, Lela Harrelson, H. G. Bertrand and Frank Guth.

Mrs. and Mrs. George Weber of Grand avenue received word Saturday that their son, Marvin Weber, a student at Purdue University, has been elected a member of Pi Tau Sigma fraternity, mechanical engineering honor.

## The FOR

### PRaise for Granite City Police from VFW

To the Editor:

This column is used often by the citizens of Granite City to criticize various city departments. Today, we wish to commend the Granite City Police Department for the very efficient and efficient manner displayed by them in the apprehension of the persons who had forcefully entered and were in the act of burglarizing our property in the early morning hours Nov. 8.

The life of a police officer differs from the life of any other man in danger 24 hours a day, 365 days a year. He is never really off duty; he only takes his uniform off for a few hours each day. His entire life is devoted to making this city of ours a safer and better place for us to live.

How often have you heard someone unjustly criticize a police officer for doing his duty? Well, stop and think for a minute that it is not always an easy task for him to perform his duty.

The next time you see a policeman say to yourself, "There goes a man who is protecting my life, my family and my property." Give him a tip of your hat; he justly deserves it.

Thank God we live in a country where we can think of a police officer as a friend and not a country where we have to be afraid everywhere a police officer looks your way.

Again, we say thanks to the Granite City police department for a job well done.

With very best wishes for the VFW Post 1300

### Electrical Issue—Large Or Small Treatment Plan?

(First of a series)

The special election in Granite City Tuesday, Nov. 26, will determine whether voters want a sewage treatment plant costing \$1,700,000 or a smaller one costing \$1,400,000.

Size of the plant could be reduced through construction of interceptors sewer costing \$2,200,000. The interceptors are a partial solution to the city's overall pollution-drainage problem: a step in the right direction, but not more than that.

In the Namekoki area, the interceptors would take sanitary sewage instead of letting it continue to enter Granite City's overloaded combined sewer system. This would eliminate effluent overflow at the connecting points, and should enable the Namekoki drainage ditch to carry storm water only. It would not improve the ditch in any other way, nor would it provide additional storm-water drainage in Namekoki.

Elsewhere, the interceptors should add to the stormwater capacity of the existing sewer system by freeing some of it of sanitary sewage. This would give some partial relief from flooding. Other sewage would still be flooding an effluent overflow during rains. Basement sewage backups would continue.

By relieving present sewers of their sanitary sewage and carrying it to the treatment plant, interceptors would provide more room in the pipes for water that does not need to be treated. Since the latter would be discharged directly into the river through existing outlet sewers, the interceptors would reduce the scope of the treatment task. It would be possible to treat only what needs it, rather than treating everything that goes into the drainage system.

There could be side benefits from proceeding with interceptors at this time. The lay-out along Namekoki road to East 23rd street could be installed before or during widening and resurfacing of that street, simplifying the work and reducing inconvenience. Installation of interceptors along Madison avenue south of 21st street could be done in such a way as to remove the unused trolley tracks simultaneously.

While the ballot does not mention the treatment plant, the city council has indicated it will construct the election result as preference for a large or small treatment plant. The large plant would do nothing at all but dump it in the river. The smaller plant, combined with the interceptors, would give slight drainage relief.

Because what is offered is so limited in its benefits, its chief recommendation is that it represents a start toward a master sewer program that is vital to the future health and prosperity of Granite City and its residents.

The next step would be to deal with financial aspects of the sewer proposal.

A chapter scheduled to be started here next week should have no trouble winning any competition for the longest title of an organization in the Quad-Cities. It is the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America.

### Decide Mitchell Incorporation On Merits, Not Fear Of Annexation

If Mitchell residents decide that incorporation offers many advantages to them, creation of a city government would be an appropriate step. But one possible issue should be recognized and are crying for the need of action.

The executive director must first know the area he supervises before he can make recommendations to them. This is recognized by some of the so-called professional planners who seek this position. They know East St. Louis is in Illinois, not Missouri; West Alton is in Missouri, not Illinois. He should know the location of Pease or Lehigh or even scanning a map for it.

He should know why Armour & Co. and the Aluminum Ore Co. left the area with their plants, while the majority of Olin Industries were expanding. He should be introducing people into the matter of the director. All of these things which define the functions of the commission, because time has been running out on putting into action plans already prepared for future growth and development of the area.

A deputy director is also authorized by the bill for hiring and he could be a danger. I believe it. But what of the balance of the student body of 700? The teachers, the majority, when they are asked, what were they doing?

Due to the large area involved, it might become necessary to contract with a recognized planning firm with a full-time experienced staff of employees. This has never been discussed with the other city directors in existence, so a preliminary is something that may be needed.

The executive director should be far removed from any political atmosphere but for the reasons mentioned above, the need

as false. The thought has arisen that incorporation is necessary in order to avoid being "gobbled up" by Granite City or Pontoon Beach, but the fact is that areas cannot be annexed without the owners' consent.

The basic questions which deserve consideration are the need for specific municipal services, what they will cost and the means of financing them. These include real estate taxes, personal property, license fees, motor fuel tax funds, sales taxes and other revenue sources.

Much of the information that could aid voters in reaching an opinion depends on a clear proposal that takes shape—the boundary lines and the types of property which they include.

As Mitchell residents commented at a preliminary meeting, the subject of incorporation, it is still too early—and too much is unknown—to decide whether a city government is desirable at Mitchell and whether 1963 is the time.

Perhaps it might be profitable for Mitchell residents to confer with Pontoon Beach residents for background information on how the year-old incorporation there is working out. This could help pinpoint the advantages and disadvantages of incorporating a primarily residential area.

Christmas has arrived early this year for Venice and Maclellan residents. Through Saturday, as a special feature of National Children's Book Week, all overdue books may be returned without paying a fine—welcome news for state who have been sun-baked a volume he had meant to return several years ago.

Reorganization of the Horseshoe Lake Study Commission will help focus attention on the continuing need for development of a park and wildlife refuge at the lake, and may point the way toward realization of hopes that have existed for several decades.

The project is more vital now than in past years because of the Illinois Metropolitan Area population boom. There are more people and there is greater demand for recreational facilities, and this area's residential and commercial growth threatens to overrun the territory adjacent to the lake.

As the park is to be established, now is the time to do so—before a large number of residents would have to be displaced and before acquisition costs have soared. It would be false economy to wait—a fact that should be kept in mind by the state and federal agencies considering financial aid.

Review Decision Against Downtown Postal Branch

Moving of the last of the equipment into the new main post office at 24th street and Madison avenue this week marks the successful conclusion of long efforts to obtain a large and modern post office for Granite City.

The attractive building should be able to serve basic postal needs of this growing community for years to come. Satisfaction over its location and opening was tempered only by the loss of downtown services—a lack which will become quickly apparent.

Postal authorities would be justified in taking a second look at their decision that a branch office is not needed in the city's principal business district. Incoming and outgoing mail is of vital importance to many firms, and a post office eight or ten blocks away is not close enough.

### County X-Ray Service Detects Many Remediable Health Problems

A good reason for affixing Madison County Tuberculosis Association seals to Christmas cards this year is supplied by the group's 1963 report. Its free chest x-ray service grew by more than 2000 over the previous year and detected 12 active tuberculosis cases, 29 chest tumors and 57 other health problems as well as other conditions requiring diagnosis and treatment.

It is true that each individual can obtain such an x-ray for himself, but the cost is reduced by the mass program. And the annual tour of the county by a mobile x-ray unit serves as a helpful reminder to busy people who might otherwise postpone the test too long.

They tell it their moral and medical obligation to do so. If only more school groups would take action along these lines, instead of meeting for two hours a month to sip coffee and socialize.

As for "dominating" one's own children, there are many kinds of domination. There is evil domination, there is good domination. There is evil domination, there is good domination. There is evil domination, there is good domination.

## INTERSTATE HIGHWAYS NEARING HALFWAY MARK

Illinois is making rapid progress on the new Interstate Highway System.

By the end of this construction season, we expect to have opened to traffic more than 700 miles of our state's 1,388-mile network. The entire Interstate network is scheduled for opening by 1972.

All the Illinois mileage that is open has not been completed to full Interstate standards, though most has. All is adequate for present traffic.

Advance of Schedule

The entire system, when completed, will consist of controlled, limited-access highways that will result in the saving of lives, time and money.

Illinois is well ahead of schedule on its share of the system. In the Interstate routes in Illinois, though consisting of less than 17% of our total highway mileage, we carry up to 20% of our traffic, representing a total of more than 30 million passenger miles a day.

Quarter Of State Budget

The Interstate routes will require on its share of the system the 14,000 miles of primary highways already maintained by the state.

One-quarter of our state budget—about \$1 billion—goes to the Interstate system, maintaining our highway system.

It is clear we have a substantial stake in the future of our roads.

## Distillers Cite Taxes, Payroll

Alcoholic beverage industry salaries and taxes enlarged the Illinois economy by \$467,387,024 in 1962. Licensed Beverage Industries reports in an economic study submitted to the Illinois State Board of Taxation.

State and local revenues derived from taxes on alcoholic beverages amounted to \$79,039,024. Profits paid to the 73,500 persons directly employed by the industry in Illinois totaled \$388,348,000, of which \$343,970,000 went to other Illinois industries to supply the personal needs of employees and their families.

Some \$100 million were spent by individual segments of the industry for goods and services needed to conduct normal business operations, as well as for personnel and income tax expenditures.

## Bill To Three Decades

The \$79 million industry tax contribution to Illinois state and local tax coffers brings the total since the inception of Prohibition to \$1,280,626,024 (\$977,201,954 state and \$313,424,070 local).

An analysis of employee expenditures shows that "many" industries and professional businesses throughout the state benefit directly from the alcoholic beverage industry.

"In 1962 liquor industry expenditures for purchases totaled \$32,349,000 from auto and gas dealers; \$31,573,000 in clothing stores, cleaners and laundries; \$109,670,000 from food and related dealers; and \$32,678,000 from home furnishings and appliance dealers.

"Another \$18,621,000 went to doctors, dentists and hospitals; \$16,200,000 for fuel and oil; \$42,291,000 in housing; and \$10,291,000 to domestic service and "regimentation."

The study notes that the \$1,280,626,024 collected in state and local taxes since repeal was "used to help pay for education, public health, parks and recreation, law enforcement, sanitation and other vital public services."

"In the past 29 years, since the alcoholic beverage industry's repeal, it has become one of the federal government's most important sources of commodity and service revenue."

"The national alcoholic beverage industry represents an increased revenue (than ten years ago) in the form of tax dollars. In its manufacturing, wholesaling and retailing operations, it provides employment for more than 13 million persons who earn \$2.1 billion in wages and salaries annually."

"In addition to the \$2.1 billion in wages and salaries annually, \$4.6 billion spent by these employees on personal consumption items, the 410,000 licensees comprising the industry expended nearly \$3 billion for public utilities, rentals, office equipment, raw materials and packaging."

"Since national repeal, the federal treasury alone has collected more than \$59 billion in direct taxes on alcoholic beverages with state and local governments contributing an additional \$22 billion."

"In the past 29 years, since the alcoholic beverage industry's repeal, it has become one of the federal government's most important sources of commodity and service revenue."

"The national alcoholic beverage industry represents an increased revenue (than ten years ago) in the form of tax dollars. In its manufacturing, wholesaling and retailing operations, it provides employment for more than 13 million persons who earn \$2.1 billion in wages and salaries annually."

## Eagles To Kickoff Annual Yule Food Drive Next Week

The annual canned foods drive to provide staples for the Salvation Army Christmas baskets, held each year by Eagles Lodge 1126, will begin next Wednesday with a banquet.

Jack Lehne and Andy Shupbert, co-chairmen, said a goal of 5000 items has been set for this year. Last year the lodge conducted a successful 4000-item campaign.

The banquet starting at 6:30 in the lodge hall, 2538 Madison avenue, will be limited to 100 persons on a first-come-first-served basis.

Guest speakers will be Rev. Paul Surbey, pastor of St. John United Church of Christ, and Capt. Mildred Walker of the Salvation Army. The Auxiliary will serve the meal.

All of the items donated—and each of the 350 lodge members is asked to donate a case of canned goods—goes to the Salvation Army "Tree of Lights" Christmas basket program.

Members of the lodge and auxiliary also aid the Salvation Army in packing the baskets.

Last year, the Salvation Army distributed 420 baskets of food along with clothing and toys to needy families in the Quad-Cities.

## '64 Jet-smooth Luxury CHEVROLET

Now how are the high-priced cars going to explain this!

Here are looks, luxury and comfort you'd expect to set you back plenty — all they came from anybody but Chevrolet.

Fresh-minted styling with clean uncluttered lines that give the '64 Jet-smooth Chevrolet its feeling of new light and lowness.

Rich new interiors with supple fabrics (sink your hand into the new vinyl upholstery of the new Impala Super Sport Series, for instance, and ask yourself if you've ever felt softer seat covering).

Here are the niceties of Body by Fisher craftsmanship like you'll find on expensive cars. And stylish touches like the vinyl-clad roof\* you can order on the Sport Coupes.

Door-to-door carpeting and foam-cushioned front and rear seats are standard now in all models, including the modestly priced Biscaynes.

And there's a wealth of power to pick from. Engines from a peppery 140-hp 6 to a 425-hp V8\*. Transmissions that are refined for smoother, more silent operation. Sixteen power teams in all.

Then, with all of that going for you, you've got the '64 Jet-smooth ride at work to cushion you from road noise and vibration like few other cars can at any price.

Been promising yourself luxury like this someday? Your someday is here, as your dealer will gladly show you.

JIM FIEDLER, who developed into a judo champion at the YMCA, displays some of his trophies.

## Puny Youngster Develops Into Judo Champ At 'Y'

"I fought them a lot on the November, he took two firsts, but from the first day it was great! I was a shy little kid lacking self-confidence. Boy, it helped me a lot!"

That's the way a poised, well-mannered young man told of his initial reaction to his parents' suggestion that he join a YMCA judo class.

He is Jim Fiedler, son of Mr. and Mrs. Roland Fiedler, 3304 Bradley avenue. Since that first day five years ago, his interest in judo has been growing at about the same speed as his collection of trophies, medals and ribbons.

"My first four years were tough," Jim said. "I was a little squirt, competing against guys quite a bit heavier than me. Last year, when I began instructing, things went a little better for me." Jim's record proves that to be a gross understatement.

Start of Victories  
October of 1962 was the start of Fiedler's wins. He captured third place in a Poria event. In

## Madrigal Singers To Perform In Workshop

Warren G. Simpkins, director of vocal music at Granite City high school, will present a lecture-demonstration on madrigal singing at a madrigal workshop at 9:45 a.m. Saturday in the music hall of Scruggs, Vandervoort and Barney, St. Louis.

In connection with the workshop, he will direct the vocal music department's 16-voice Madrigal Singers in a brief concert. The students were selected by try-out in September and rehearse after school twice a week.

They are sopranos Ellen Chapman, Janet Darakjian, Toni Hunter, Diane McGovern and Susan Myers; altos Kathy Haley, Carolyn Jenkins and Janet Maddox; tenors Bill Henley, Richard McKinney and Ramon Talley; and basses Tom Cockrell, Kenneth Jones, Dee Snider, Ray Vorhees and Robert Wagner.

The purpose of the workshop is to demonstrate rehearsal techniques, interpretation and performance to music educators. Also on the program will be the Washington University Madrigal Singers. The program is open to the public without charge.

Each week Jim works out for two and one-half hours on Monday, Tuesday and Thursday. He also teaches a teenage class without pay for two hours each Wednesday.

Jim still finds time to keep his school average at a respectable level, having aspirations to become a pharmacist. His other interests include swimming, diving, billiards, gymnastics and automobiles.

Adult Competition  
Next year he will automatically trade his second-degree purple belt for a second-degree brown as he enters men's competition. "Weight is going to be the big factor for me to contend with," Jim said. "I'm too small!"

From the way he is growing, however, his size problem is quickly being eliminated. Not long ago he weighed 125 pounds and was five feet, two inches tall. Today, at the age of 16, he weighs 157 pounds and stands at five feet, 10 inches.

VENETIAN YEARBOOK king and queen candidates of Venice high school are left to right, first row—Joyce Daniels, Nancy Scaturro and Diane Weber; and top row—Mike Edwards, Joe Ponce and Gary O'Neil.

When asked who was mainly responsible for his success in judo, Jim named four of his instructors. "But above all, it was my Mom and Dad," Jim said. And asked how his parents feel about his interest now, he replied, "they're all for it, all the way."

Jim is one of the large group of outstanding teenagers. Intelligent, confident, personable, optimistic and sincere, he helps make the future look bright, his associates say.

## Explorer Post 94 To Train Groups In Resuscitation

Explorer Scout Post 94, sponsored by Granite City Steel Co., is offering free instructions in mouth-to-mouth resuscitation to interested groups in the Quad-City area.

The Red Cross-approved life-saving technique has become a project for the post. Those interested may schedule a group demonstration by phoning Henry Hellrich, post adviser, at TR 6-3038.

The Explorers work with a life-like, inflatable dummy known as Resuci-Anne. The dummy permits trainees to actually check the effectiveness of their mouth-to-mouth resuscitation as they perform it.

Mouth-to-mouth breathing, introduced by the American Red Cross a few years ago, is considered far superior to the older methods of artificial respiration.

Pictures of different clubs and organizations also were taken yesterday, including the chorus, band, Future Homemakers of America, Red Cross, the majorettes and the publications class. The board of education has approved all of the activities which have been selected by the clubs at school.

Recently a new Pep club was organized with the student council as sponsor. Mrs. Annet Oshendorf and Coach Bill Oshendorf helped start the club.

Electing officers were Jackie Lake, president; Mary Donna Scaturro, vice-president; Eddie Johnsen and his assistant, Dorothy Wilkinson, secretary; Evie Ritz, treasurer; Mary Gray, ticket chairman; and Pat Austin, poster chairman.

The club will meet on Wednesdays after school. Fund raising projects will be planned shortly.

## NO NEED FOR A HEAVY FOOT!

When you first take the wheel of a new 1964 Cadillac, you're going to be amazed!

For this latest "car of cars" has attained a level of performance you have never before experienced. To be sure, there's greater smoothness and quiet. There is also increased agility and handling ease. And, above all, there's added power, acceleration and responsiveness. There is no need for a heavy foot in this dynamic car!

Cadillac's new performance is the result of many advancements throughout the power train. The engine is new—and it is the most powerful in the car's history. The famous Hydra-Matic transmission has been redesigned to provide the most responsive operation of all time. And a new Turbo Hydra-Matic on some models assures true brilliance of performance.

All in all, Cadillac is more than a hundred ways new. Its new styling is elegant as never before... with a divided grille that makes it unmistakable on any highway. Its interiors are unusually luxurious. And its new options include an exclusive Comfort Control\* that lets you pre-set interior temperature exactly to your liking—and hold it season to season—while at the same time controlling humidity.

Visit your dealer soon and get ready for a surprise!

## YOUTH FOCUS

### Faurot To Speak At GC Athletic Banquet Tuesday

By DIANE HENDERSON  
Nov. 19 is the date set for the Granite City high school athletic banquet. The dinner, a smorgasbord, will be held in the school cafeteria at 6:15 p.m.  
The football team and cross country squad will each present a seasonal review, and the squads will be the special guests of the evening.  
Guest speaker will be Don Faurot, athletic director at the University of Missouri.  
Football and cross country letters will be presented at a recognition assembly next week. Tickets for the banquet are \$2.25 and may be purchased from any letterman, a member of the Warrior Booster club or through the school office.

### James Middleton To Play With Symphony On Sunday

James Middleton, son of Mr. and Mrs. Zeno Middleton, 3249 Carlson avenue, and student at Illinois State Normal University, will play with the 55-piece ISNU symphony orchestra at its first concert of the season at 8:15 p.m. Sunday in the Westhoff theatre on the Normal campus. He plays the cello. Guest soloist will be cellist Dushan Vojnovich, who joined the ISNU music department faculty this fall. He will perform the "Vivadi Concerto in D Major," originally written for violin and orchestra and transcribed for orchestra and cello by Vojnovich. Conducting the orchestra will be William H. Engelman, instructor in music at the university.

## GCHS Sophs To Present Class Play On Dec. 5

The sophomore class of Granite City high school will present its play "Love Is in the Air" by Franks and Doris Hunley on Dec. 5 in the school auditorium.

Featured in the cast, selected by Miss Sandra Lieberman, will be Jack Perrow, father; Mary Zikovich, mother; Sheila Cogan, Debbie Bush and Arvil Taylor, the children; and Tim Hackney, the lover.

Others in the cast are John Sarich, Hugo; Kathy Aubrey, Crooley; Sandy Stubbings, Jackie; John Rimmer, Beane; Emily Ackerman, Mary Lananah, Diane Tadlock and Judy Bayfield. The student director is Linda Kozar.

The play is based on a radio series about the Truit family which was on the air in 1950-52. The opening scene depicts a typical family with three teenage children, who provide humor to the plot when they decide their parents have lost all glamor, sparkle and spice in their married life.

The son decides to have a man-to-man talk with his father on the subject, upsetting the father. The father decides to enter a contest in which the prize is a ride in a jet plane. After winning, he becomes dubious about riding the jet and doesn't go to the contest. The consternation of the child-teenagers has their problems too in the script. The oldest daughter tries to get her boy friend to propose to her. The son and his best friend compete for the same beautiful girl across the street. The youngest can't find anyone to go to a winter roast with her, with all of the boys having excuses.

## GC GAA Places 4th In State Archery Tourney

The Granite City high school Girls Athletic Association placed fourth in a state postal archery tournament conducted recently.

The team included Linda Sheffer, Neida Lancaster, Linda Whitten, Judy White and Karen Schieb. They shot 24 arrows from 30 yards and 24 from 20 yards.

## Three On Honor Roll At Central Methodist

Three Granite City students are among more than 10 to be named to the dean's mid-semester scholarship list for the fall semester at Central Methodist College, Fayette, Mo. The scholarship honor requires at least a 3.0 grade average.

They are William A. Koenig, son of Mr. and Mrs. V. H. Koenig, 2538 Sheridan avenue; David He is active in junior achievement.

Also, a GCHS graduate, Everett, at Granite City, is active in the band in addition to playing the piano. Last summer he played the piano peering at Kiel Auditorium.

## GCHS Musicians Form Combo For All Occasions

By RALPH HENRY  
"Music for All Occasions" is the motto of the newly organized band of Cheryl Lynn and the Tune Twisters at Granite City high school.

The band consists of two guitars, drums and a piano. Mary LeVault and Cheryl Lynn play the guitars, Mike Sigite the drums and Eddie Everett the piano. They started the group last summer when they got together for a jam session.

They have played at various high school dances, night clubs and wedding receptions in the area.

LeVault, the leader, is a senior and is active in the Letterman's club, is treasurer of the Spanish club and was a member of the 1963 state runner-up basketball team.

## Tuberculin Skin Tests Conducted For GC Students

By DIANE HENDERSON  
A stream of students proceeded steadily but not willingly into the Granite City high school auditorium recently. They were asked to have tuberculin skin tests conducted.

This is how the test works: A small amount of tuberculin is injected into the skin. If the patient has ever been infected with tuberculosis, the skin in the exposed area becomes red and itchy.

At the end of the week the doctors returned to check the reactions of the students. Those having positive reactions will be required to have an X-ray exam.

Those having no reaction, or negative, will have the unpleasant duty of coming back next year for another test.

## Spaghetti Dinner Set To Hootenanny Tonight

The vocal music department of Granite City high school will hold its sixth annual spaghetti dinner from 5:15 to 7:30 tonight in the school cafeteria.

Two cafeteria lines will provide fast service, and carry-outs will be available at the door. The dinner, which features "all the stage where one by one they spaghetti you can eat," served more than 600 persons last year.

Guest performer will be Mike Zikovich, accordionist and first prize winner of the 1963 state accordion contest. He will be accompanied by Phil Blason, Debbie Brown, Sandy Stallings and Mary Zikovich. Tickets are \$1.25 for adults and 50 cents for children of 12 and under and will be available at the door.

Kurt F. Isbrecht, 21, of 4121 Highway 162, was charged with speeding by Granite City police at 1800 Pontoon road at 12:45 p.m. Monday.

**A 1908 OVERLAND**, owned by the late Dr. Frederick Tulley (behind the wheel) pictured in the 1800 block of State street in 1909. With him are his wife, now Mrs. Emily Tulley Petrie, who resides at a Caseyville nursing home, and on the back, Clarence F. Layton, who then was 13.

Layton, owner of the picture, is here this week for a visit with a niece of his late wife, and brought the picture with him. He recalled the Tulleys had invited him to sit on the back of the auto while the picture was taken.

Layton, a former crane operator at American Steel Foundries, who left for California in the 1920s, now resides at 29 Palms, Calif., where he recently retired after operating a service station. He is visiting Mrs. Louise Charbonier, 2344 Edwards street. The auto had tires guaranteed for 8000 miles, and the headlights were covered during the day to keep the brass from tarnishing. Of the group of men at the rear of the auto, Layton could identify the Keystone-hatted policeman as Bob Smith. The barber shop in the background was run by the late Fred Reber, father of L. J. Reber. Press-Record shop foreman. The barber shop, which had one of the few bathtubs in town, was heavily patronized by millmen. It remained open on Saturdays until midnight or later.

### State Hospital To Seek Aid To Expand Program

Alton State Hospital has begun preparations for seeking grants from the federal government to expand its current educational and treatment programs, it was announced this week.

Several staff doctors and department supervisors have been assigned to a committee to study and obtain data to support the hospital's needs and qualifications for the funds. They are drafting an outline of the institution's programs for evaluation by Dr. Harold Visotsky, director of the Illinois Department of Mental Health.

Since such grants are limited, his responsibility is to screen all institutional applications and submit to the federal government only those whose programs most ideally conform to state and national standards. Petitions for the grants will be through the U.S. Department of Health, Education and Welfare.

The proposed funds are in keeping with President Kennedy's Feb. 5 Congressional message proposing a stepped-up program for mental health and mental retardation. Illinois institutions, in deference to his speech, have renewed their efforts to revitalize their educational and treatment procedures.

The Alton hospital has been concentrating in the early stages mainly on basic improvements in patient care, with emphasis on advanced in-service training for aids and nurses. Later on, it will strive to enhance educational training for members of all patient care departments.

In addition, it is planning to develop better facilities for outpatient service and also to establish higher level services for rehabilitation of children.

# QUICK IDEAS

## for outdoor holiday lighting

### Plug in at your Door light

Maybe—because you thought you didn't have the outlets—you did nothing last year about outdoor holiday lighting. But you've got a door light. With an adapter and heavy-duty extension cord you can plug in a colorful outdoor light in minutes. See your electric dealer or hardware store for UL-approved outdoor fixtures. Keep fixture covered.

### Add colorful outdoor lights

If you've got evergreens or shrubs in your yard, light them up with strings of colorful outdoor Christmas tree lights, plugged into the door light. They're safe. They work in all kinds of weather. And the electricity costs just a few pennies a night. Your dealer has more easy-to-do holiday lighting ideas. See him before the rush.

### Use spotlights

Get some approved outdoor extension cords and work a couple of spotlights from your door-light outlet. Nothing is simpler. Nothing does more to make your whole house shine out "Merry Christmas." And you'll find the spotlights useful at other times of the year. See your dealer now.

## Bi-State Agency Sets Meeting To Develop Planning Coordination In Two-State Area

A meeting to discuss coordination of two-state area planning is being called for Nov. 19 by the Bi-State Development Agency.

Invited to attend the meeting are the heads of the agency's office and leaders of political subdivisions in Illinois and Missouri.

A subcommittee to prepare data for coordinated regional planning consists of Dr. Seymour Z. Mann of Northwestern Illinois University; John A. Shanahan of the Illinois Department of Highways; and Robert Jones, executive director of the St. Louis City Planning Commission.

In the invitation to the meeting, Leo A. Fisher, Bi-State chairman, pointed out "The two-state area problem of being in many respects a single social and economic unit but with overlapping political units, gives none full authority over all aspects of any problem."

"Until recently the solutions accomplished in a single problem area or within the geographical boundaries of a governmental unit have served their purpose satisfactorily. The need for truly comprehensive and regional planning has been recognized but motivation has been insufficient to cause the various governmental elements to adopt an over-all solution."

**Up To Federal Level**

"Recent legislation by the federal government, however, especially in the area of transportation, makes it quite clear that every echelon of government now has a vital interest in furthering truly comprehensive and continuous planning."

Col. R. E. Smyser Jr., executive director of Bi-State, said the Nov. 19 meeting is the outcome of a decision by the Bi-State board last July 30 to study the possibility of creating a coordinator or sponsor of a two-state planning program.

In presenting a case for coordinated regional planning, the agency board stated there could be a substantial contribution to the fulfillment of the planning tasks assigned to specialized functional agencies and to planning agencies in the area of local and state levels.

"Regional planning coordination involves not only the establishment of goals for regional development consistent with the needs of sub-regional areas, but it involves as well a review of agency planning and implementation activities to evaluate and interpret the significance of the separated, several activities in respect to regional needs and goals."

**Clearing House For Planning**

"It furthermore includes the establishment of a clearing house for planning activities and planning information. Such a function could make data easily available to agencies and jurisdictions dependent upon such data information in the pursuit of their respective missions and objectives."

"This activity could further serve the purpose of identifying unutilized information and knowledge needs that could possibly be satisfied if the proper public agencies, universities and various interested private associations were properly alerted."

The agency board is stressing that it is conceivable for a full-fledged planning, coordination and supplementing the planning and development functions now being performed by other governmental units and political jurisdictions.

In the role, the Bi-State agency could serve as the agent for the metropolitan area in regard to federal programs that require such an approach before grant and loan funds can be made available. It is believed that requirements of federal highway legislation will make a unified metropolitan approach to transportation planning mandatory by 1965.

**Resource Development**

Possibilities for development of airports, changing rail transit patterns and highway programs.

"Regional developments," the agency board points out, "are related to state-wide goals and activities, and increasingly, the area as a whole is required to establish relationships with the federal government to qualify for and to take advantage of federal programs in which area objectives are related to the achievement of national goals."

## Moske Elected To State Office At Art Convention

Robert Moske, art instructor at Coolidge Junior High School, was elected secretary of the state board of the Illinois Art Education Association during a convention in Chicago.

Before him were Mrs. Joyce Blair of the senior high school staff, and Alassi.

Alassi noted that Granite City has received considerable recognition from the state organization, having the largest number of instructors named to state board posts. Moske is the third.

Participating on the programs at the convention were Alassi and Miss Margaret Barker of Niedringhaus school. She took part in the art education, elementary directors division. Miss Barker, who is working for a masters degree in art, presented a booklet—"Nurturing Creativity of School Children Through Art."

Alassi presented a program for special art supervisors attending the convention.

Also attending from here were Ronald Ward of Coolidge, Kenneth Weisler of Frasier and

Misses Martha Schlostein and Katherine Kratz of the senior high school.

Speakers at the convention stressed the following theme: "If we are going to have education, we must begin stressing or placing greater emphasis on the humanities, a social behavior and creativity. Cultural courses should be a part of a child's life with art education, music, speech and social sciences along with sciences, mathematics and foreign languages giving a well-balanced education for a child."

## Traffic Ticket Issued

Cecil T. Clark, 25, of 2248 Lee avenue, was arrested by Granite City police at 1:45 p.m. Monday on a charge of speeding at 1300 Edwardsville road.

the first and the best carpet made with DuPont 501 nylon pile

Lasting Star not only wears better, it looks better than run-of-the-mill nylon carpets for two very good reasons.

First, 501 nylon is the first ever engineered especially for carpet use, in one long, strong, continuous filament that never can fuzz up into little dirt traps or broken, matted ends.

Second, Lees gives this modern man-made fiber the same respectful care that's gone into every yard of carpet they ever made. Same number of painstaking inspections at every step of the way.

Every one of those heavenly carpets by Lees is registered by number for your protection.

That's why Lasting Star is not like other nylon carpets. Durable! Won't shed! Won't mat! Resists stains and scuffs! And so easy to care for, you can go wild on color—the lightest, the brightest, even white! Naturally Lasting Star is mothproof, mildew-proof and non-allergenic. Truly a remarkable carpet.

### SUNBEAMS PREPARE THANKSGIVING BASKETS

Virginia Wingo six-year-old Primary Sunbeams of Second Baptist Church met Tuesday afternoon to continue a Foreign Mission Study of the "Three Davids." Mrs. Betty Lewis, leader, led in making a chain of bells on which the group placed names of missionaries of Israel and also the names of Miss Wingo of Italy. The Sunbeams colored pictures and sang. Prayer was given by Mrs. Lewis, who told the story, "A Visit to Home for one week." Canned goods for Thanksgiving baskets were received, and the closing prayer was by Theresa Gillham.

Mrs. Lewis talked on the Lot of the Most Christmas, offering. Those present were Marie Snyder, Theresa Gillham, Vicki Welch, Debbie Hall, Debbie Freeman, Debbie Davis, Kevin Crown, Brenda Smith, Rhonda Tinsley, Nancy Sanders and visitors, Raymond Kidwell, Marilyn Mays, Bruce Crown, and Patricia Davis.

No meeting at the same time Tuesday were the Evelyn Owen seven-year-old Sunbeams, with Mrs. Beverly Crown as leader, and Miss Bonnie Finnel as assistant. Paper bells and pictures were created and canned goods were contributed. Attending were Gail Lewis, Julie Whitson, Dennis Reynolds, Lynn Olive, Brenda Holloway and guests, Rocky and David Flanagan and Cathy Crown.

### THANKSGIVING BASKETS

World Friends Sunbeams of Second Baptist Church met Tuesday afternoon to continue a study of "The Three Davids." Several of the children brought home canned goods for Thanksgiving baskets.

The group worked on World Friends booklets during the activity time. Opening prayer was given by Miss Jean Anderson, assistant. The group studied several expressions in the Arabic language from a poster. The leader, Miss Evelyn Barnes, told another portion of "The Three Davids," and the children played a game, answering questions from the story. Closing prayer was by Gary Lewis. Other members present were Bradley Crown, Denise Whitson, Allen Newberry, Janine Smiler, Robin Smith, Margaret Ann Yates, Christine Smith and Donald Mays, a visitor, Robert Kinkler, and a new member, Richard Kinkler.
